

Chapter: 1766

After arriving, she found that she still underestimated the charm of her husband, and there were too many young women who were affectionate for Lin Ziming.

Not only Ouyang Yanran, but everyone else was surprised when they heard Chu Fei's words.

Yang Guiying was the first to react, staring at Chu Fei and said: "Mother, I am Yang Guiying, I am the apprentice of the master! Madam, you are so beautiful. It is a blessing for the master to marry you!"

Yang Guiying flattered first, and at the same time she was secretly observing Chu Fei and found that Chu Fei was really beautiful and impeccable.

No wonder Lin Ziming has always looked down upon Ouyang Yanran. There is such a sweet wife in the family, and she will not get in trouble outside.

Chu Fei smiled at Yang Guiying and said, "I know you."

Yang Guiying was a little embarrassed when she heard this. I don't know how Lin Ziming described her in front of her Madam. After all, when she faced Lin Ziming, she was still very presumptuous.

Chu Fei turned her face and looked at another place. In one place, she also saw a beautiful woman. At exactly this moment, the other person's gaze also looked over, and she happened to meet Chu Fei.

The other person's eyes flickered obviously, and she reflexively wanted to avoid it, but immediately, she saw Chu Fei's kindness to her, and she nodded to her and greeted her actively. Only then did she relax a lot and her face appeared. Some were shy, but also nodded to Chu Fei and said hello.

She is Tao Sanniang.

She has also come to see Lin Ziming's championship game. This battle is very important, and she doesn't want to miss it.

But she didn't expect that Chu Fei would actually recognize her, which was quite embarrassing.

Chu Fei returned her gaze, and then looked at Lin Ziming on the ring again.

Now the whole audience quieted down tacitly, no one made a sound, and their eyes were tightly focused on Lin Ziming.

See how Lin Ziming will respond.

Then, I saw Lin Ziming made a move that surprised them all. Lin Ziming shook his head, sighed, and then walked towards the center of the ring and said, "I have given every opportunity. You, since you don't cherish it, then go to death."

He was also talking plainly, just saying that he was going to kill a fly.

It would not be surprising for him to say this, but he actually took the initiative to walk among the seven innate realm Dzogchen masters and

encircle them, which really surprised everyone!

Anyone with a bit of common sense knows that once faced with a situation where there are many enemies, the best way is to destroy the enemy's siege on the periphery. But Lin Ziming was good. Instead of pulling away, he took the initiative to walk into the encirclement of the other party. This is an act of seeking death!

Sure enough, Romer and Junichiro Nakake and others saw it, and their brows were raised, and they were surprised at first, but then they both became uncontrollably annoyed.

Because Lin Ziming despised them nakedly, ignored them, and didn't put them in his eyes at all!

This kind of humiliation is even more than Lin Ziming asked them to surrender just now. This is to humiliate them with behavior, which is simply unforgivable! !

Lin Ziming still walked unhurriedly, they all stared at him coldly, their eyes full of anger and crazy murderous intent.

Finally, Lin Ziming walked to the middle of the seven of them, stopped, and said, "Go ahead, I'll go back to eat in a hurry."

As soon as his words fell, someone launched an attack on him. It was Lefsky and the other two Innate Realm Dzogchen masters. They stood behind Lin Ziming and did not have any signs, so they started directly.

The war finally started!
