They want to surround Lin Ziming, throw them up, embrace Lin Ziming, and celebrate for Lin Ziming.

Lin Ziming was shocked when he saw this kind of battle, but immediately he relaxed and showed a sincere smile.

This is really a lovely group of compatriots.

“Hey hey hey, you guys take it easy.”

“Hey, who is pulling my clothes!”

“Enough is enough...”

Lin Ziming was surrounded by them in a short while, and was thrown high into the sky, laughing, cheers resounded throughout the audience, and everyone felt the happiness of the Chinese martial artist.

Those who watched the live broadcast are now extremely regretful, why didn't they go to the scene! !

In this way, I celebrated with Instructor Lin up close, and I can enjoy the atmosphere to my heart's content!

Chu Fei in the audience looked at this scene, she showed a sincere smile, and the love in her eyes couldn't be concealed.

This is her pride, her world, her husband.

On the other side, Tao Sanniang also burst into tears. She closely watched Lin Ziming, who was surrounded by thousands of people, on the ring, her whole heart was filled.

Who can not love Lin Ziming like this?

Moreover, she was sincerely glad that she was able to be with Lin Ziming.

This was the most correct and most convincing thing she had done in her life!

She didn't dare to imagine that if there was no Lin Ziming in her life, it would be so boring and boring, and even life would lose its meaning.

Even if Lin Ziming is married, so what?

An excellent man like Lin Ziming has never belonged to anyone, and she did not dare to dream of occupying Lin Ziming. In fact, she was very lucky and very happy to have a place in Lin Ziming's heart.

At this moment, she heard a gentle and sweet voice coming from behind her.

“Sister Tao, we meet again”

Hearing this sound, Tao Sanniang was startled for a while, and then, her whole scalp began to numb!

Because she heard that the master of this voice is Chu Fei!

Lin Ziming's decent wife!

Speaking of it, it was not the first time she saw Chu Fei. Long ago, when she first met Lin Ziming, she had met Lin Ziming in the mall.

Moreover, at that time, she didn't even fall in love with Lin Ziming completely, and she didn't even think about such a day.

At that time, she was more of molesting Lin Ziming...

At that time, she would not feel nervous or guilty when she saw Chu Fei.

But now, the muscles of her whole body were tightened, and the extreme tension, guilty conscience, and panic all rushed to her heart at this moment, making her stand still.

Liushen Wuzhu, it seemed as if he had been frozen for a while, he didn't know what to do.

She grew up so nervous and panicked, and now she really doesn't know what to do.

"You, you, you, you confessed to the wrong person..." She stammered over this sentence, and then she wanted to leave.

But at this time, she found that her hand was caught, very warm and gentle, and it was Chu Fei, who held her hand!

"Miss Chu, you..."

She raised her head and saw Chu Fei standing in front of her, looking at her with a very gentle and friendly eyes.

"Sister Tao, you don't have to be afraid of me, just treat me as a younger sister." Chu Fei said softly, "Thank you for taking care of Ziming during this time."
