

## Chapter: 1791

Moreover, this impulse was so strong that it made Lin Ziming's firm will not hold on, and he involuntarily took a step forward, approaching the woman in front of him!

In that instant, he really had a powerful idea that he wanted to get this woman right away, and it was the kind of solution that was solved on the spot.

Just when his hand was about to touch the opponent, he suddenly woke up. He withdrew his hands quickly, and at the same time, he took two steps back quickly and broke out in a cold sweat.

What's wrong with yourself?

How could I have such a coveted idea to a strange woman?

This is incredible.

You know, his personality itself is not the kind of lecherous person, besides, he is now in the realm of half-step through the gods, and his willpower is far surpassed by the innate realm of great perfection masters!

Logically speaking, even if she is the most beautiful woman in the world, he will not have a ripple in front of him.

But his own reaction just now made him sweat.

If he hadn't reacted in time, he would have eaten the other's tofu just now. If this spreads out, his reputation will definitely be affected.

In an instant, he wondered if he had used any methods against him!

Just when he frowned and was about to ask questions, the woman seemed to be shocked. She took two steps back quickly and her face began to fade.

When she staggered back, half of the red wine in her hand spilled out, and it fell on her chest, soaking her evening gown, it became looming, which seemed particularly seductive.

Lin Ziming was also taken aback for a while, he just glanced, the heat in his body rose again, and quickly moved his eyes away.

"Ah, instructor Lin, what are you doing?" The other party was startled and exclaimed.

Her appearance looks full of panic, as if she was frightened, and with her beautiful face, hot body, and wet chest, she looks even more full of temptation and charm!

The sexy femininity on her body was almost about to blow her face, causing a man like Lin Ziming to speed up his heartbeat a little bit.

But he also reacted, and soon he took a deep breath, calmed down, looked at the other person, and said, "Sorry, I scared you."

The other party's eyes were watery, and he bit his lip lightly. He was very scared but weak. He said weakly: "Instructor Lin, in fact, I admire you very much. You don't have to worry so much... .."

Hearing this, Lin Ziming's heartbeat speeded up again.

But he also felt it, that something was wrong with the other party!  
Because he knew his will, even if he met the beautiful woman, he wouldn't be so anxious.

Moreover, he himself is a person with high aesthetics, and the few women around him, whether it is Chu Fei, Tao Sanniang or Shangguan Shuyao, are no worse than this woman in terms of appearance.
