

## Chapter: 1796

Lin Ziming's footsteps paused for a while, but he still didn't look back, pretending that he didn't hear anything, and left in large strides.

After he left, Shangguan Shuyao couldn't help it anymore, and the tears in his eyes finally couldn't help but fell.

At the same time, she was also extremely wronged and sad. It was obviously Lin Ziming's fault. She hooked up with the vixen everywhere, instead she came and scolded him!

Originally, she was looking forward to today's banquet. She even said a lot of good things in front of her grandfather and father, waiting for Lin Ziming to invite her to dance. Then, she could take the opportunity to say what was in her heart.

However, Lin Ziming slapped her severely.

She grew up so no one had ever been bullied like this. For a while, her tears couldn't stop.

Lin Ziming didn't know that she was crying so hard. After he returned to the banquet hall, he looked around and couldn't find Liu Qingcheng. Obviously, Liu Qingcheng had already left.

He found Peng Zhuo, said hello, and said directly: "Director Peng, have you heard of Nuwazong?"

Peng Zhuo was smiling heartily, and his whole person was filled with joy and joy. After hearing these words of Lin Ziming, suddenly, the smile on his face immediately stiffened, and soon became solemn, letting go. After receiving the wine glass, he said in a deep voice, "Instructor Lin, how do you know Nuwazong?"

Lin Ziming was a little surprised when he saw Peng Zhuo's reaction. Could it be that Nuwa Sect actually exists? Moreover, it seems that it is not simple, even people like Peng Zhuo are so solemn.

"Yes." Lin Ziming said briefly what had just happened, and when he finished, he asked, "This Nuwa Sect looks very powerful?"

After listening to Peng Zhuo, his expression became more solemn, and he said: "Strength is one aspect. The main Nuwa sect is special. All of the sects are composed of women, and each of them is national beauty and heavenly fragrance. Among them, the suzerain of Nuwa sect. It is even more like an immortal! The most important thing is that Nuwa Sect is all cultivating charm tricks, which deceives sentient beings. It is very terrifying. It is very scary to hear that the Sect Master of Nuwa Sect, and the powerhouse connected with the gods can be fascinated!"

After Lin Ziming heard this, he was indeed surprised. How tough is the will of the strong in the god-passing realm, and the suzerain of the Nuwa Sect, who can connect with the strong in the gods, can be charmed. How against the sky is that?

He recalled Liu Qingcheng's seductiveness just now, and he almost got the trick.

"According to that, this Nuwa Sect is an evil school?" Lin Ziming said thoughtfully.

Peng Zhuo shook his head, "The evil faction is not counted. This Nu Wa Sect is only acting weird at best. But strangely, this Nu Wa Sect has never been in contact with us, so why would you find Instructor Shang Lin?"

After Lin Ziming listened to Peng Zhuo's explanation, he also had a clearer understanding of Nuwazong. He shook his head and said, "I don't know this."

After a pause, Lin Ziming asked again: "Just now Liu Qingcheng mentioned the four major sects, what's the matter?"

Lin Ziming looked at Peng Zhuo, not letting go of Peng Zhuo's expression. Since Nuwa Sect really exists, then the four sects mentioned by Liu Qingcheng must also exist, and it is not simple.

But he didn't know the existence of the four sects, or even any sect. This in itself was abnormal. You know, he is no ordinary person anymore. He has never heard of it in the third place of Xuanyuan. Similar messages, that means there is only one possibility, that is, the message is blocked.

But why should it be blocked? This is a question worthy of scrutiny.
