In this way, Whampoa Road can live a long time, and it is not impossible to live two hundred years old.

Under such circumstances, the night passed slowly.

In the next few days, Lin Ziming didn't go anywhere, so he stayed at home to be with his family.

He should also have a good rest.

After Chu Fei and Tao Sanniang clarified the relationship, he actually relaxed a lot in his heart. In this way, at least there was no worries about the harem.

After resting at home for a week, Lin Ziming officially returned to the third place of Xuanyuan and started a new journey.

As the champion of this Kung Fu Cup, Lin Ziming has the qualifications to go to the secret realm, and he can also get the guidance of the three masters of the gods, this is a rare opportunity!

After Xuanyuan's third place was destroyed, Lin Ziming stayed there for three days to guide these agents at Xuanyuan's third place. Because his current realm is very high, with his guidance, the overall strength of Xuanyuan's third place will soon be given to him. , Improved a level.

Not to mention the ordinary agents, even Sun Liang and Zhao Xia, under the guidance of Lin Ziming, benefited a lot.

Finally, after three days passed, Lin Ziming set foot on the road to Yandu.

The first he went to look for was Huangpu Road, the god of war.

When he saw Whampoa Road, he was teaching at a university. Lin Ziming knew he was here and didn't bother immediately. Instead, he came to the classroom first before classing on Whampoa Road and listened to him as one of his students.

Huangpudao is now wearing a white shirt and holding a water bottle in his hand. He looks like an ordinary university professor with a kind smile on his face. No one can think of it. Such a gentleman looks gentle. The elegant and easy-going middle-aged man will actually be a powerhouse in the realm of spirits standing on top of mankind!

On Huangpu Road, Lin Ziming understood what it means to hide in the wild, and hide in the country.

Moreover, Lin Ziming can feel that the realm of Huangpu Road is obviously more powerful than when we first met before!

Before Lin Ziming was only in the congenital realm of great perfection, he could not really feel the power of Huangpu Dao, but now he has reached the half-step through the gods, and he has seen more of the power of Huangpu Dao.

Huangpudao smiled slightly at Lin Ziming, without the slightest surprise. Obviously, he already knew that Lin Ziming would come.

Lin Ziming smiled back at him, and then sat down in the back row. Whampoa Road is obviously very majestic, and all the students respect him. After he entered the classroom, the noisy classroom immediately calmed down.

“Class.”

“Hello Professor Huangpu!”

Huangpudao nodded, and then said: “Today, what I am here to tell you is the book “What is Life” written by Schrödinger. What is your understanding of life?”

Hearing these words, Lin Ziming knew that Huangpu Dao was teaching him. Lin Ziming has read Schrödinger’s “What is Life”.
