

Chapter: 1818

In addition, he also made a wiping motion on his neck.

Li Qianyu immediately became nervous, stopped in front of Lin Ziming, and said to Du Wei: “Du Wei! I tell you not to mess around! I told you a long time ago that I don’t like you, and I never belonged to you. Personal belongings, you have been pestering me shamelessly! Now I have a boyfriend, please give up and don’t pester me again! Otherwise, you will only make me hate you even more!”

Li Qianyu said seriously.

Others were sweating for her, especially her classmates, all of them were very nervous, thinking that Li Qianyu was crazy, so they dared to say this to Du Wei.

Du Wei is notoriously fierce, isn’t Li Qianyu afraid of being revenge!

Sure enough, after Du Wei heard these words, the corners of his mouth twitched a little more, and he smirked, “Hahahaha! Hate me? Li Qianyu, you are the first woman who dares to say that you hate me, and also the first A woman who dares to humiliate me face to face like this! Very good, you are fine! This makes me more ‘interested’ in you! I will greet you well.”

He no longer hides it now, and an extremely evil smile appears on his face, which makes people shudder.

Li Qianyu was also taken aback at once, and only felt that her scalp was numb. Suddenly she regretted it a little bit. Wouldn’t it be too risky to do this by herself? Moreover, it would even hurt this strange man.

Du Wei tilted his head and continued to walk two steps forward. He walked in front of Lin Ziming. His eyes were like sharp swords. He poked Lin Ziming fiercely and directly used a mental attack. If it is normal People, should be scared to pee their pants, mentally collapsed, kneel down and beg for mercy.

For this trick, Du Wei has tried repeatedly.

But what is strange is that Lin Ziming didn’t panic a bit in the face of his mental attack. He even said that he didn’t even blink his eyes, and he just looked at Du Wei with a playful look.

This made Du Wei stunned for a moment. For a while, he thought he had hallucinations, and his mental attack actually overturned this time?

But soon he realized that it was not that he overturned the car, but the guy in front of him, not an ordinary person, but a Lianjiazi, “Oh, I underestimated you, feeling you are a Lianjiazi, no wonder You are so courageous, even the woman I like Du Wei dared to get involved! Okay, very good! Since you are a practicing family, I feel more fulfilled after torturing me.”

He laughed madly, and it sounded terrifying and terrifying.

The others stepped back a few steps to make room for Du Wei and Lin Ziming.

Li Qianyu was frightened by Du Wei again. She bit her lip and said loudly: "Du Wei! I confess to you! This man is not my boyfriend. He is just a shield I found casually. He and I have nothing to do with him. What does it matter, don't embarrass him!"

Lin Ziming was a little surprised at what she said. He didn't think she would think about herself. Is this a conscience discovery?

Li Qianyu just looked over, and looked at him, and said, "I'm sorry, I am the one who caused you."

Lin Ziming waved his hand, motioning for the so-called.

But Du Wei didn't believe it at all, "What a lover's concubine! Death is approaching, and I plead for your lover. In this case, then I will satisfy you..."

After finishing talking, he shot Lin Ziming directly.
