

Chapter: 1826

“Yes, Master!”

“.....”

A kind of apprentice immediately took orders, they dare not refuse to follow. Do everything possible and use the fastest speed to investigate the murderer and avenge Du Wei.

As the murderer Lin Ziming, he had left that place long ago, naturally he didn't know that someone had already followed him.

But even if he knew it, he wouldn't take it to heart. To him, the sect was originally a different kind.

What's more, among the sect's strength, they can all be regarded as the evil Sun Moon God Sect.

With his current strength, as long as he is not a master at the realm of God, he will not take it seriously.

And even if a real master of the God-passing realm came, it might not be able to kill him.

Now after he solved Du Wei, he went directly to the three places in Xuanyuan.

As a reward for this Kung Fu Cup champion, he has obtained what he wants from the military god Whampoa Road, and then he should go to the beautiful country to find Adam, or go to the Eagle Dog country to find the queen.

In fact, for him, it doesn't matter whether he goes to find Adam and the queen.

When he thought about it, he decided to look for it.

Sure, he has the opportunity to try the master of the gods, is it really that powerful and invincible?

After returning to the three places in Xuanyuan, he didn't have any concealment, and told Peng Zhuo about Du Wei's affairs today.

After Peng Zhuo heard this, he was quite surprised. He didn't expect Lin Ziming to have contact with a member of the martial arts so soon, and even killed the opponent.

“This Sun Moon God Sect is considered to be the second-tier existence among the sect forces. Its strength is only below the four sects, and it is stronger than the Nuwa Sect you met before.”

Peng Zhuo said in a deep voice.

Lin Ziming nodded. He was not too interested in this. In line with the principle of not offending me and I will not offend others, as long as the Sun Moon God Sect would not continue to trouble him, he would have nothing to say.

However, Peng Zhuo's next sentence made his brows frowned.

“As far as I know, this Sun Moon God Sect is an evil sect. People in their

entire sect practice a technique called Gorefiend**, which is very evil. After practicing, it will be similar to the vampires of Western mythology. You must continue to draw blood to replenish yourself.” Peng Zhuo said in a deep voice, “A large part of the vampire legends of Huo are derived from the Sun Moon God Sect.”

Lin Ziming was a little stunned when he heard this. He said, “Aren’t vampires from the West? We also have them in China?”

Peng Zhuo looked at Lin Ziming and said with a smile: “Instructor Lin, you are entering into a misunderstanding of thinking. Who said that the Sun Moon God Sect belongs to China? In fact, the origin of Sun Moon God Sect is in Europe. It is a hundred years old. It only came to our country of China before. There are shadows of Sun Moon God Sect all over the world. However, Sun Moon God Sect is really bold enough to commit crimes in the country and society. It seems that they live in a comfortable life. After a long time, the skin starts to itch.”

Lin Ziming nodded, agreeing with Peng Zhuo’s statement.

According to Peng Zhuo, in fact, the myths of many countries, including weird things, such as werewolves, vampires, zombies, etc., all come from the sect.

This is a bit interesting.

After chatting for a few more words, Peng Zhuo immediately said solemnly: “Instructor Lin, you have to be careful during this period of time. I expect that the people of the Sun Moon God Sect will find you trouble!”

Lin Ziming tapped his finger on the table and said indifferently, “Really, then I’ll wait.”

Seeing that Lin Ziming didn’t take it seriously, Peng Zhuo didn’t say anything. After all, he knew how terrifying Lin Ziming’s strength was, so he didn’t need to worry too much.
