But Lin Ziming didn't even threaten to see him, still smiling.

Damn it! !

Prince William gritted his teeth, his disgust and anger towards Lin Ziming reached the extreme, even now he wanted to tear his face and let the bodyguards beat Lin Ziming severely.

He knows Alice's character very well. Alice is a very cold person and has never been so proactive and diligent to a man.

So he has a feeling that there must be some shady relationship between Alice and Lin Ziming.

And Alice is his fiancée, who actually has that kind of relationship with an inferior Chinese. When he thinks of this, he is very angry and hideous.

He is the prince of the Eagle Country, and his status is honorable!

Lin Ziming said at this time: "Miss Alice, your boyfriend seems to be very unwelcome to me, or don't bother you, I can just take a taxi by myself."

Lin Ziming himself didn't think so much. To him, Alice was just a passer-by in his life, not even a passer-by. It was just a peaceful meeting. This time I met, and I will never see each other again. Up.

Although Alice was in danger and was targeted by the killer, Lin Ziming could track Alice from behind and rescue Alice when it was critical.

Alice frowned immediately and said to Prince William: "His Royal Highness, do you not welcome my friends?"

Prince William was a bit dazed for a while, he obviously didn't think that Lin Ziming, this guy, would dare to give him such a hand, it was too despicable. Especially when he saw Alice's eyes looking at him, obviously with dissatisfaction and disgust, it made him panic. He shook his head quickly and said: "There is no such thing, since he is your friend of Alice, I How could you not welcome him?"

"Yeah." Alice nodded, and then said to Lin Ziming: "He is Prince William of our Eagle Country. He loves the people like a son. You will not be welcome."

Lin Ziming was still a little surprised about the identity of Prince William. He didn't think that he had just arrived in the Eagle Country, and he met the prince of the Eagle Country. It was quite fate.

"I don't know that the queen of the Eagle Dog Country is yours?" Lin Ziming asked curiously.

Prince William straightened his waist immediately and said proudly: "His Royal Highness is my grandmother! She is also the strongest in the Eagle Country."

Lin Ziming nodded, not surprisingly.

Prince William saw Lin Ziming's reaction and thought that Lin Ziming was shocked by his noble status, and his face couldn't hide his pride. He was a

high-ranking prince, and for ordinary people like Lin Ziming, that was absolutely noble. exist.

Next, Lin Ziming got into the car with Alice.

Originally, according to Prince William's intention, Lin Ziming was allowed to sit in the back car to give him and Alice a private space, but this damned Chinese, who had no eyesight at all, followed them over. , And sit in a car with them.

But he was very angry.

Alice was very happy, and was able to chat with Lin Ziming again.

"Ahem, Lin, I don't know what's the matter with you coming to Eagle Country this time?" Prince William saw that Alice and Lin Ziming had such a good chat, and he couldn't get in a word. He felt very shameless and straightforward. Interrupted forcefully.

Alice was dissatisfied with Prince William's performance, thinking that Prince William's mind was too small, and there was no generosity that the prince should have at all.

Lin Ziming smiled and said, "I'm here to find the queen."

Hearing this, Prince William was stunned. Not only him, but Alice was also a little surprised, thinking that he had misheard, Lin Ziming actually came to see the queen?
