

Chapter: 1843

The voice sounded extremely terrifying.

It was like scraping on a blackboard with a knife, and it made a high-frequency piercing sound, which made people particularly uncomfortable and numb the scalp.

Especially with this image of him, it doesn't look like a human at all, but like a devil crawling out of hell, it is chilling.

It was fine for Lin Ziming, but for Prince William and Alice, it was extremely scary.

They were so scared that they were trembling, and Prince William cried out, his teeth trembled: "Devil, devil, devil..."

Alice was also shaking badly, but she was not so gloomy compared to Prince William. She now firmly grasped Lin Ziming's hand, as if under this situation, only Lin Ziming could bring her a little bit. Sense of security.

"Who are you?! Too arrogant, dare to ambush us! This is the Eagle Dog country, you will be strangled by the whole country like this!" Prince William yelled out hysterically, but his words, although they were shouting very loudly. Loud, but there is no power at all.

The other party didn't pay attention to him at all, but directly pulled the door of the car with one hand, and then jerked, the door of the Rolls Royce was directly torn off by him.

With a clatter, it was extremely violent, making Prince William even more frightened.

"Come out, my esteemed Prince William, and beautiful Miss Alice."

He seemed to be very polite, but what he said was really ugly, and it would only add to the fear and panic of Prince William and Alice.

Lin Ziming took a deep look at this person. He perceives that this person is not from the state and society, but from the sect. He has good strength and possesses the strength of the third stage of the Innate Realm.

But because the other party's aura is extremely evil, it's a bit like a vampire, and it's more like a fable Suppressed.

This shot is the master of the third stage of the Innate Realm. It seems that these assassins are bound to win this action.

Lin Ziming is a very keen person. According to what he heard from Peng Zhuo, the sect and the country are generally well-watered. This relationship has been maintained for nearly a thousand years. Now, people in the sect are so blatant about the country. The people shot, and the target is still the royal family of the Eagle Dog country.

So, this shows that the balance between school and state has actually been broken.

But the specific reason remains to be studied.

If Lin Ziming has encountered it, it's fine. Now that he has encountered it in

person, he will naturally not stand idly by.

However, he didn't take action immediately, but spread his thinking more broadly.

For him, it is not difficult to keep Prince William and Alice in safety. Even if they add up, this group of killers is far from his opponent.

But what he has to do is to get rid of these killers!

Therefore, he can't take action now, so as not to startle the snake.

Prince William was shaking so badly that he shrank in the corner of the car, unwilling to come out.

The assassin seemed to be a little impatient, and his tone became more gloomy, "Dear Prince William, my patience is not good. If you don't come out again, don't blame me for being rude to you."

With that said, the killer grabbed the Rolls-Royce door frame and twisted it. Such a tough door frame was twisted into twists by him, which shows how great his strength is!
