

Chapter: 1933

He originally planned to leave secretly without telling Alice, but Alice didn't know where he got the message that he was leaving. He had already come over and waited for him early in the morning.

When he woke up, as soon as he opened the door, he saw Alice with a little red and swollen eyes sitting on the threshold, her face with dissatisfaction and sadness, and a sluggish spirit. At first glance, I knew that I didn't sleep all night, the result of staying up all night.

"Alice?"

When Lin Ziming came out, Alice was too sleepy, and she was dozing off there. Lin Ziming was a little surprised to see her like this and called her name softly.

After Alice heard his voice, she immediately struck a joke, raised her head, and saw Lin Ziming standing in front of her, her face suddenly showed excitement, "Lin, I heard you are leaving the Eagle Dog. Country...Oh!"

She got up too eagerly. She had been sitting here for the whole morning. Her blood was not smooth. She stood up so suddenly, she immediately became unbalanced, and she was about to fall.

Naturally, Lin Ziming would not let her fall, so he hugged her waist in time to stabilize her body.

Alice was hugged by him, and her whole body was glued to him, and there was some confusion and intoxication in her eyes.

It was this feeling that made her so obsessed!

Take a deep breath, it is the intoxicating hormonal smell on Lin Ziming's body.

It didn't smell bad at all, which made her feel particularly comfortable.

She embraced Lin Ziming and put her head on Lin Ziming's chest, without speaking, but quietly enjoying the warmth and happiness of this moment.

Lin Ziming gave a wry smile. He originally wanted to push Alice away, but when he saw Alice like this, he couldn't push her away, so he sighed in his heart.

He really is the fate of Tao Hua Jie.

Wherever I go, there will be peach blossoms next to my body.

Alice hugged him tightly for more than ten minutes, then raised her head and said, "Lin, are you leaving the Eagle Country?"

Lin Ziming didn't hide it, nodded and said, "Well, I should leave."

Hearing these words, Alice paled a bit, and there was more sadness and dismay in her eyes. Then she lowered her head and said very embarrassed and unwilling to say, "Then you, will you come back in the future?"

Lin Ziming was somewhat softhearted seeing her like this. Speaking of which, Alice was also a poor person. He said, "Yes, I will come back when I have a chance."

Sure enough, after hearing his words, Alice suddenly relaxed a lot from her nervousness, and finally showed a smile on her face, saying, “Well, that’s great! I’ll be waiting for you, I will always be there. Waiting for you here!!!”

She raised her head and looked at Lin Ziming very seriously and affectionately.

You know, she is now the princess of Her Royal Highness the Queen, who will inherit the throne of the Queen in the future, in the entire Eagle Dog Kingdom, is an incomparably noble existence, but in front of Lin Ziming, she is only the girl who is pregnant.

Lin Ziming’s mouth moved, and then he sighed and said, “Alice, in fact, you don’t have to do this. I’m already married.”

Alice is not sad. She seems to have known about this a long time ago, and she accepted the truth. She still stared at Lin Ziming and said, “Lin, I don’t mind, I’ve been your woman all my life. ! As long as you need, I will give myself to you at any time!”

After saying this, there was a blush on her face, but she did not dodge, she was still very brave, looking at Lin Ziming very seriously, this was her heartfelt words.
