

Chapter: 1942

Then he started to coax up little by little, so that, when the time comes to investigate it, it's not his fault, it's just the fault of the beautiful countryman. Even if he coaxed and hurt someone, he can pat his butt and leave happily. . When he reached Lin Ziming's realm, every decision he made had his deep meaning, but he definitely didn't make it casually.

But this method of his, others do not know or know, so everyone thinks that he is a fool, a fool from China, in a foreign country, how dare to show off his wealth?

And it's still in this chaotic city, isn't this purely seeking death!

You know, the Chinese people here are bullied. Every year, many Chinese people die in the hands of the beautiful people, but there is no way. In the eyes of many beautiful people, the Chinese people are weak and small. , The wimpy representative, no matter how bullied, he dare not resist.

The boss seemed to be somewhat conscientious. He sighed and said to Lin Ziming, "Chinese, I advise you to give the money to the police quickly, otherwise..."

However, he didn't even finish what he said, so he was stared at by the other gangsters. At the same time, he patted the table hard and said loudly, "Boss, what about the beer I want! How can you pay it back? I didn't give it to me, so I don't want to do business anymore, right!!!"

His eyes were full of threats, and immediately made the boss shudder, and he didn't dare to speak any more, but he was very clear about the personality of those bastards, and if he said more, he would definitely be finished.

So he hurriedly bowed his head and asked the waiter to bring a few bottles of beer to the gangsters.

Just when Lin Ziming wanted to ask again, one of them was a tall and burly bastard who came over, with a smile on his face, and enthusiastically hooked Lin Ziming's shoulders, and said, "Hey, buddy, You are going to the bank to deposit money, my buddy will take you there. My buddy is familiar with the bank and will be able to help you deposit money soon!!!"

With a deep smile on his face, he looked straight at the money in Lin Ziming's hand, and the **** in his eyes couldn't be concealed.

When other people saw this scene, they all knew that Lin Ziming must be finished, and the money would fall into the hands of these gangsters.

If Lin Ziming cooperates and is willing to admit counsel, it is okay, if he dares to resist, then he will be killed in minutes.

Moreover, in this chaotic city, Lin Ziming, as a new Chinese, even if he is killed, there is nothing to follow.

Lin Ziming didn't seem to know that he had become a fat sheep. He also showed a grateful expression on his face, and said, "Is it? That's great! I heard from my friends that the people of Beautiful Country are very

enthusiastic and willing to help us. Chinese, it seems that my friend made a mistake.”

Lin Ziming’s current appearance is completely a triumphant performance. Hearing what he said, the gangsters laughed even more happily. They patted Lin Ziming on the shoulder and said, “Hahaha, what your friend said is wrong, we beautiful people are very enthusiastic! Especially! It’s more ‘enthusiastic’ for you Chinese people, haha!”

Lin Ziming was also smiling foolishly, as if he didn’t know at all, the danger had come.

At the same time, in a corner, there was a tall woman, frowning slightly, and looking at this place tightly. She was a beautiful woman with a sense of justice. She also had combat training. His dream is to become a policeman. Whenever she encounters unfair things, she will stand up to fight injustices. Now she has seen this situation too, and thinks that Lin Ziming must suffer if he waits a moment, and she can’t stand by and watch.

At this moment, Lin Ziming walked out of the restaurant under the hoops of those gangsters and walked towards a remote corner. She quickly settled the bill and followed.
