

Chapter: 1946

Lin Ziming said, "If I run away, what will you do?"

When the young woman heard these words, there was some fear and sorrow on her face. Soon she shook her head and said, "You don't care about me, I can get out."

You can get away with a fart.

However, Lin Ziming was also moved by her self-sacrificing spirit. To be honest, he had met many people, but he did rarely encounter such self-sacrificing.

Although this approach is not worth promoting, but this spirit is still very admirable.

In this society, there are fewer and fewer people with this spirit, and more and more people become selfish, all kinds of comparisons, laughing at the poor but not at the prostitution, etc...

Lin Ziming showed a bright smile and said, "Don't worry, I won't let you have an accident. Actually, I brought them here on purpose. I think it's the same as yours. I think it's for the people to eliminate harm. ."

When he finished speaking, he turned around, faced the gangsters, and said with a smile, "You are very lucky to have met me, a half-step god-level powerhouse, and being able to die in my hands is the greatest in your life. Blessing, because I am here to challenge the most powerful existence in your beautiful country."

Lin Ziming said this sentence with a smile, but his tone revealed seriousness and earnestness.

But for these gangsters, they didn't understand at all. They could laugh when they saw Lin Ziming's death approaching, and they said they were going to kill them, which greatly angered them.

"Damn! Do not live or die! Damn Chinese! Originally we just planned to grab your money and beat you up. Now you dare to die, then you go to die!"

The bully in the head, his face full of ferociousness, he shot Lin Ziming directly after saying this, and the dagger in his hand stabbed Lin Ziming's stomach fiercely. The speed was very fast, it could be seen. , I rarely do this kind of thing.

If it is an ordinary person, it is really difficult to dodge him with this cut, but for Lin Ziming, it is not even a threat. Even if Lin Ziming does not dodge, he will not be stabbed into Lin Ziming even if he is stabbed by him. Skin.

Of course, Lin Ziming would not be so boring for this kind of ants.

He waited for the opponent's knife to arrive in front of him, then easily shot, grabbed the opponent's wrist, and then turned around, let the knife in the opponent's hand turn around and stabbed it heavily into his stomach.

Moreover, Lin Ziming made the blade spin a circle.

"what!!!"

Suddenly, he let out a scream.

Lin Ziming then stretched out his foot and kicked it straight out. The opponent's body over two hundred catties was kicked upside down by him, directly hitting the wall behind him and cracking it.

And the bully also fell directly, there was no movement, and he died directly. Quiet.

All the rest were stunned. They were all stunned. Obviously, they didn't expect that such a thing would happen. This Chinese man shot too fast, too cruel.

Even for that young woman, it was incredible.
