

Chapter: 1959

Let alone her, Lin Ziming was somewhat embarrassed.

But isn't it? A woman suddenly ran out and invited a spring breeze. What is this and what?

Besides, when Lin Ziming is in this position, he is no longer an ordinary person, but an absolute master with a different identity.

Lin Ziming didn't understand why the dignified Nūwazong's suzerain wanted to invite him to do that. He was in love with him and wanted to recruit him into the Nūwazong as the door-to-door son-in-law?

If this is the case, then it really makes Lin Ziming dumbfounded.

He asked, "Sect Master, I don't quite understand what you mean."

Nūwa Sect Sect Master Tianxuanzi explained, "That's it. I practiced some time ago and was accidentally injured by Asura, the leader of the Holy Religion. This caused some problems and was burned by karma. Therefore, I must have a strong person of the same level. Only by cultivating with me can we eliminate this karmic fire, otherwise, the consequences will be unimaginable..."

Having said this, Tian Xuanzi's face became even more red, and he looked at Lin Ziming not embarrassed.

But I have to say that, as the Sect Master of the Nuwa Sect, such a charming and stunning woman said this to Lin Ziming, and she also showed her little daughter's posture, and the impact on Lin Ziming was quite big!

It made Lin Ziming's heartbeat involuntarily speed up a bit.

He knew that Nuwa Zong had no use of fascination, but a natural appearance, but the more natural it was, the more temptation it brought to people.

Lin Ziming swallowed secretly, resisting the urge to agree, and soon his reason regained his brain.

"Sect Master, as far as I know, in the martial world, there are a lot of powerhouses who are able to pass the Divine Realm. Why did you choose me?" Lin Ziming asked.

He didn't believe that with Tianxuanzi as the Sect Master of the Nuwa Sect, he himself looked like a country and he took the initiative to send out an invitation, there would be no one in the martial art world willing to double cultivation with her.

Tian Xuanzi bit her lip and said, "Instructor Lin, I know your doubts and concerns. I also have unspeakable difficulties, alas..."

She sighed and continued, "Our Nūwa Sect is not very powerful in the world of martial arts, and can only be regarded as second-rate. There are many schools, all of which are involved in Nvwa Sect. Once those martial arts people know that I am Karma burns, then there will definitely be malicious people who will invade Nuwazong. At that time, many female

disciples of our sect will face a miserable end. Therefore, I can only find the strong outside the sect, and instructor Lin I have heard of your deeds, and I admire your personality and character. You are my best candidate for double cultivation.”

Lin Ziming fell silent, what she said really made sense.

And Lin Ziming also felt that there was indeed something unnatural in her body, her aura was a little disturbed, and it was really possible that she was being burned by the fire of karma.

It's just that the double cultivation with a strange woman is really hard for him to accept.

Speaking of this matter, he couldn't help but think of Nishang. At the beginning, he also repaired with Nishang under special circumstances...

Seeing Lin Ziming's silence, he thought that Lin Ziming would refuse, and Tian Xuanzi immediately said, “Instructor Lin, don't worry, as long as you are willing to help me this time, I will definitely be grateful! I will pay you a corresponding remuneration, and, From then on, my Nuwa Sect will regard Instructor Lin you as a friend, owe instructor Lin a favor, and follow instructor Lin's dispatch once in the future!”

Lin Ziming smiled bitterly, and he said, “Sect Master, it's not that I refuse, but that I am already married. This kind of thing is not very moral for my wife.”

He didn't think that after hearing this sentence, Tian Xuanzi was stunned for a moment, and looked surprised. There was no expectation that Lin Ziming would say such a thing.
