

Chapter: 1971

Indeed, it is easy to say this sentence to dissolve one's own sect, but it is very difficult and difficult to truly achieve it.

Moreover, Tianxuanzi is still the Sect Master of the Nuwa Sect and the leader. How did she experience struggle and pain in her heart to speak this sentence?

Having made this decision, it shows that she is the sinner since Nuwazong's previous suzerains. How can she face the ancestors under Jiuquan?

Therefore, Lin Ziming could clearly see that when Tian Xuanzi said these words, her expression was extremely painful, but she had been enduring it, trying not to show her pain.

At this time, she already had no idea. If the Nüwa Sect was not dissolved, then the entire Nüwa Sect would become an affiliate of the Sun Moon God Sect, and nothing more than torture!

With this result, it is better to disband the Nuwa Sect!

At this moment, Lin Ziming was still moved, and he admired Tianxuanzi a lot. He didn't expect that Tianxuanzi, as a female generation, would be so decisive.

The other female disciples were also stunned. They obviously had no idea that Tian Xuanzi would say such things, and didn't know what to say for a while.

After being stunned for a while, Shangguan Rufeng immediately came back to his senses and shook his head and said, "I don't agree! Nuwazong has been established for more than 300 years, how can it be said that it is dissolved and dissolved!"

"Yes, Sect Master, if we disband the Nuwa Sect, how can we face the ancestors under Jiuquan?"

"Sect Master, I also don't agree with the dissolution of Nüwa Sect, this is too extreme! I am a member of Nüwa Sect in my life, and I am also the ghost of Nüwa Sect when I die!"

"Yes, if there is no Nüwazong, then there is no us today. Nüwazong is our home and our root! We will never give up the Nüwazong!"

Each of them reacted strongly and refused to dissolve Nuwazong.

At this time, Tianxuanzi said coldly, "If you don't dissolve the Nuwa Sect, do you want to be buried with you! You have thought that there is no such thing, the Sun Moon God Sect is about to attack, this time Asura will definitely fight, if we If you don't disband, don't run away, what are the consequences? Have you ever thought about it! At that time, all of us will fall into the hands of the beasts of the Sun Moon God Sect. What is the difference from death? The fate of those female disciples before, you are not do not know!!"

What Tianxuanzi said is very reasonable. All of a sudden, everyone else fell

into a short period of contemplation. They did think of the horror of the Sun Moon God Sect. If they were still here, waiting for them would be an absolutely tragic ending. .

But, do they really want them to disband the Nuwa Sect? They are also reluctant to bear it!

Shangguan Rufeng gritted his teeth at this time, and said as if death was at home, "I'd rather be jade broken than tile! Even if we all die in battle, we will never succumb to the Sun Moon God Cult!!"

His words motivated the other female disciples, and they cheered up one by one, clenching their fists and shouting, "Master Shangguan is right. It is better to break the jade than to complete it. Even if we die, we must pull them back!"

For a while, they all exuded a fortitude, and they would rather be jade broken than be complete, which is admirable.

However, Tian Xuanzi shook his head and said coldly, "If you do this, you will truly be sorry to the ancestors under Jiuquan! You are going to bury all the fire of Nuwa Sect! You have I haven't heard a word, I've left the green hills without fear of firewood. As long as you successfully escape and hide, in the future, whoever of you enters the realm of the gods and is capable, can avenge the Nuwa Sect! After the Sun Moon God Sect, Nuwa Sect will be reborn in Nirvana in the fire!!"

When everyone heard her words, their eyes moved. Yes, according to the plan of the suzerain, it is indeed feasible. It is not too late for the gentleman to take revenge for ten years, as long as they Dormant, when you break through to the realm of the gods, you can also take revenge and revive the Nuwa Sect!
