

Chapter: 1972

Tian Xuanzi waved his hand and said in a commanding tone, “Okay, I have decided. You will pack your things and leave now, find a place to lurch, and break through to the God-passing Realm with all your strength to avenge Nuwazong!”

Finally, someone found a key piece of information in her sentence, Liu Qingcheng, she stood up, looked at Tian Xuanzi tightly, and said, “Sect Master! What do you mean by this? Why do we pack our things and leave? ,how about you?”

At this time, other people also reacted, something was wrong, especially the determination and determination on Tian Xuanzi’s face, he clearly regarded death as home, and he didn’t plan to leave with them! !

Tian Xuanzi’s eyes only flashed some pain quickly, and then said calmly, “As the Sect Master of the Nuwa Sect, I naturally want to coexist and die with the Sect. But you are not the same. You are disciples and women. There is no need for the flames of the Wazong to stay, besides, with Ashura’s character, if he had not seen me with his own eyes, he would definitely not believe that the Wazong has been disbanded...”

“I disagree!!”

She didn’t even finish her words, but was interrupted excitedly by Liu Qingcheng.

Not only her, but the other female disciples, all the female disciples reacted strongly, their eyes were red, and they looked at Tianxuanzi tightly, “We also don’t agree!!”

“If you want to go, let’s go together! Sovereign, we will never leave you alone to die!”

“Yes! If you don’t leave the Sect Master, then we won’t leave either. We must die together!!”

“My life was picked up by the Sect Master, and it was bestowed by the Nuwa Sect! I definitely can’t make a living, I would rather die!!!”

“metropolitan.....”

Each of them had a great reaction, and they surrounded Tianxuanzi round and round, unwilling to go for nothing. .

Even Shangguan Rufeng, although he hasn’t finished speaking, his affection and expression in his eyes are revealed. It is impossible for him to leave. Even if he died, he would die with Nuwazong.

To be honest, when Lin Ziming on the side saw this scene, he was also stunned and moved deeply in his heart.

He could see that the people of Nūwa Sect regarded death as home, not pretending, but from the heart. The whole Nūwa Sect is now twisted into a rope.

Originally, he didn’t have a good impression of everything in the martial

world, but now, in the face of Nuwazong's performance, he has changed.
Such a Nuwazong made him admire, sympathize, and get close.
He closed his eyes and felt a different breath that condensed in his heart. It
was a meaning of sect, dignity, guardianship, and beyond life...
Vaguely, he seemed to have caught something again.
But if you look carefully, it is difficult to find, mysterious and mysterious.
