

Chapter: 1981

what's the situation?

Hasn't Lin Ziming already left, why is he still here?

Even if Tian Xuanzi had recognized Lin Ziming, she still felt incredible.

As for other people, it is even more of a bomb, giving them hope in their original despair.

Asura also frowned. He didn't expect that at this time, someone would dare to come out and offend him. Isn't this just looking for death!

Moreover, it was still the voice of a man, which made him feel a little puzzled. It was not that in Nuwa Sect, there was only a male disciple of Shangguan Rufeng. Who was this?

It can be said that Lin Ziming's voice immediately attracted the attention of everyone present.

His eyes turned to the man who walked out of the crowd unhurriedly.

This man looked ugly. At first glance, he looked like a very ordinary person. Even if he was thrown into the crowd, he would not be able to recruit him.

In terms of appearance, it is much worse than Shangguan Rufeng.

However, if you look carefully, you will find that his temperament is very different, and he is obviously different from any other man. The whole person reveals a different kind of charm, the more you look at it, the more attractive it is, and it is very attractive. That type.

Especially his pair of eyes are even more like stars, shining with stars, which makes people dare not ignore!

It is so profound and mysterious.

This is Lin Ziming.

In fact, Lin Ziming had been in the crowd just now, but because he hid his breath so well, Asura did not even see him.

Logically speaking, an Asura-like master of the God-passing Realm has a keen perception. For a master like Lin Ziming, he must have spotted it all at once.

However, Lin Ziming's breath was so good that it was inseparable from his superfluous son-in-law's life in those few years.

Because of his son-in-law's life in those few years, he became a very ordinary person in his bones. This is an experience that no other strong person can get. That's why Lin Ziming can be so ordinary in his bones and can perfectly hide his aura.

But he is also so extraordinary. As long as anyone can pay attention to him, he will find that he is actually a very strange and different person.

Therefore, after Ashura saw Lin Ziming, he immediately realized that Lin Ziming was a strong man, and he was still a very strong one!

While this surprised him, it was also somewhat surprised.

His brow furrowed deeper. Originally, he was sure to win this action to

destroy Nüwa Sect, and he was sure of it, because he had already investigated the Nüwa Sect very clearly and determined that the Nüwa Sect was not for him. Any little threat.

However, the sudden appearance of the young man in front of him slightly disturbed his square inch.

But soon, he also quickly discovered that Lin Ziming was not a master of the realm of spirits, but just a half-step master of the realm of spirits, he immediately breathed a sigh of relief.

To him, as long as he is below the realm of the gods, then they are just ants, not worth mentioning.

“Who are you to dare to ruin the good deeds of my Sun Moon God Sect?!”
