

Chapter: 1983

The three words he said were so hateful that everyone could feel his hatred towards Lin Ziming after listening to them.

It seems that Lin Ziming is his greatest enemy in this world. If you have you, you will not be me. Either you die or I die.

Isn't it true? Asura has never suffered such a big loss. Moreover, he is still a strong man in the realm of the gods, the leader of the dignified Sun Moon God Sect, and his status can be said to be extremely noble!

In his opinion, even those national leaders in the world are far from his dignity.

However, he was actually offended repeatedly by someone who was not connected to the gods. This was a huge trampling and insult to his reputation! Especially after the Green Island incident, he has now become a laughing stock in the entire martial world!

That is to say, after that time, Lin Ziming jumped from an unknown little person to the Dragon Gate, and became a rising star, which was a huge face fight for him. How could this be acceptable to him!

In an instant, the muscles of his whole body became tense, exuding an earth-shaking aura that almost swallowed Lin Ziming.

As for Lin Ziming, there was no fear or nervousness at all, and even his face still kept a faint smile.

“Asura, you are a dignified master of the gods, the leader of the Sun Moon God Sect, who embarrassed a group of women, you are really rubbish, you lost the face of the gods of the gods.” Lin Ziming shook his head and said to Asura Disdainfully.

After Asura heard this, his hatred and anger towards Lin Ziming became even more surging!

He stared at Lin Ziming, almost staring out!

The other Nuwa Sect people felt the anger and horror of Asura, and they all shivered, squeezing a sweat for Lin Ziming. This is a master of the gods.

Moreover, the reputation of Asura in the entire martial arts world is too high, and only the four martial arts can overwhelm Asura.

Tian Xuanzi looked at Lin Ziming tightly with complicated eyes. She obviously had no idea that Lin Ziming would stand up at this time and defend their Nuwa Sect.

She was very grateful, but she didn't think that Lin Ziming had this ability to save Nuwazong from Asura's hands.

Even, depending on Ashura's current anger, whether Lin Ziming can escape is still a question.

At this moment, all the followers of the Sun Moon God Sect began to surround Lin Ziming. They were full of hatred and anger. If the eyes were powerful, then Lin Ziming had been torn hundreds of times now.

If I changed to an ordinary person, I would have been too scared to say anything in the face of this situation.

But to Lin Ziming, it seemed that it had little influence on him.

Even Shangguan Rufeng, who was standing not far away, could feel the murderous aura of all the Sun Moon God Cultists, and the intense murder and danger irritated his scalp.

He couldn't imagine why Lin Ziming was only a half-step god master, so he could maintain his composure in this situation. Why?

Is it because Lin Ziming has a particularly thick skin and a particularly strong psychological quality?

But anyway, there is an insurmountable gulf between the half-step God-passing realm and the real God-passing realm. What can Lin Ziming use to fight Ashura, or is this guy Lin Ziming stunned and not afraid of death?

He had fought against Lin Ziming just now. Although he was not Lin Ziming's opponent, he definitely did not think that Lin Ziming could be Asura's opponent.

"Lin Ziming! There is a way to heaven, you don't go, and there is no way to hell, you break in!!"
