

## Chapter: 1989

Not only him, but the other Nuwa Sect members are all dumbfounded now.

“Oh my God, I am not mistaken, Lin Ziming really has the power to fight Ashura...”

“This is too outrageous. Didn't it mean that Lin Ziming was only half-step through the Divine Realm? Why can I fight Ashura!”

“Yes, Lord Shangguan, who is also a half-step divine realm, was defeated by Ashura with a single move. But Lin Ziming can actually equal Ashura? This is too unscientific.”

“Isn't it said that there is a big gap between the god-passing realm, and there are ants under the god-passing realm? How can Lin Ziming be able to fight Asura back and forth with Asura in half a step?” What is the situation?”

“Could it be that Ashura's strength has regressed?”

Many female disciples of Nūwazong are also extremely puzzled and puzzled now. They can't understand why Lin Ziming can fight with Asura. In their opinion, the master of the gods, that is, the existence of gods. Although Lin Ziming was powerful, he was only half-step through the divine realm, the same realm as Shangguan Rufeng and Tianxuanzi.

Logically speaking, half a step through the Divine Realm, in front of Asura, is the defeated opponent.

However, Lin Ziming's current performance has greatly exceeded their expectations and their understanding.

When Shangguan Rufeng heard what they said, the corners of his mouth twitched twice, and his heart felt even more uncomfortable for a while.

Tian Xuanzi was also very surprised now, but soon, she came back to her senses, her desperate eyes returned to light, and she stared directly at Lin Ziming. She saw hope from Lin Ziming's body!

As the Sect Master of Nuwa Sect, she naturally knew more confidence than ordinary disciples.

She knew that, in fact, a half-step master of the God Realm was not necessarily an opponent of God Realm.

Take the three super talents, Xiaoyao King, Bu Jingyun, and Sakyamuni, who are ranked in the top three of the Fengxian List. They are themselves half-steps in the realm of the gods, but they all have a record of defeating the masters of the gods. !

Among them, the first and the most popular Xiaoyao King, he personally killed two masters of the God-Sound Realm, which is extremely powerful!

And now, Lin Ziming can also beat Ashura evenly with half a step in the realm of the gods, which shows that Lin Ziming is also a super talent!

The most important thing is that Lin Ziming is still very young, only about 30 years old. At this age, he is much younger than Xiaoyao King.

From this point of view, Lin Ziming is a super arrogant, and one with

unlimited prospects!

In an instant, her mind turned quickly, and their Nuwa Sect was low-powered, and they were inexperienced in the entire martial world. If they could flatter Lin Ziming's thigh, then their Nuwa Sect might be able to soar into the sky. what!

Now Lin Ziming is so strong in the God-passing realm with only half a step. When Lin Ziming really breaks through to the God-passing realm, how strong will it be?

At that time, they will definitely be able to protect their Nūwazong, so that their Nūwazong can survive for a long time.

Therefore, in just a few seconds, Tian Xuanzi looked at Lin Ziming who was fighting with Ashura in the distance, and many thoughts flashed through his mind.

At the same time, the many followers of the Sun Moon God Sect are all dumbfounded now, they just find it unbelievable.
