

## Chapter: 1997

Soon, Tian Xuanzi was the first to react. She took a deep breath, and then slowly walked behind Lin Ziming, leaning, and expressing her sincere gratitude and respect to Lin Ziming, “Instructor Lin, thank you for your kindness to our girl. Wa Zong’s life-saving grace!!!”

After Tianxuanzi’s words fell, all the disciples of Nuwazong also began to express their sincere gratitude to Lin Ziming, “Thank you, Instructor Lin for your life-saving grace to our Nuwazong!”

They came from the heart completely, if it weren’t for Lin Ziming, they would have fallen into the hands of the Sun Moon God Sect!

And once they were captured by the Sun Moon God Cult, what awaited them was the end of the whole world.

It can be said that Lin Ziming is not an exaggeration because their Nuwazong has the grace to recreate.

Lin Ziming was the benefactor that their Nuwa Sect would be grateful for throughout their lives. If it weren’t for Lin Ziming’s death to save his life just now, then Nuwa Sect would already be unsuccessful.

They are not that kind of ungrateful. Now facing Lin Ziming’s great kindness, they are really grateful, even if they are allowed to agree with them, they don’t hesitate.

Even Shangguan Rufeng is completely convinced of Lin Ziming now. Although he is a arrogant person, he provokes Lin Ziming at first, but he is not an ungrateful person. Just now Lin Ziming’s performance, he sees in the eyes, besides being grateful to Lin Ziming, there is also a deep admiration!

So even he bowed deeply to Lin Ziming, showing his life-saving grace to Lin Ziming.

However, facing the gratitude of all the Nuwa Sects, Lin Ziming didn’t have any reaction. He still stood there like a statue, motionless. He didn’t know if Lin Ziming had reacted, or whether he was grateful and disdainful of Nuwas. Take a look.

“Instructor Lin, Great Entrepreneur has nothing to do with it! As long as Instructor Lin says a word, our Nuwa Sect will be sent by Instructor Lin!”

Seeing Lin Ziming motionless, Tian Xuanzi thought Lin Ziming was dissatisfied with their verbal gratitude.

So she immediately said the actual reward, she had already decided, even if Lin Ziming spoke and asked her to agree with her, then she would not hesitate.

Moreover, after Lin Ziming’s performance against the sky just now, she has decided that she must hug Lin Ziming’s thigh well.

She had already seen that Lin Ziming was a super arrogant like Xiaoyao King, Bu Jingyun, and Sakyamuni. If their Nuwazong followed Lin Ziming, then it was their Nuwazong who picked up the bargain and waited for Lin

Ziming to break through. After passing through the gods, their Nuwa Sect also had a foothold.

However, after she finished speaking, Lin Ziming still didn't have any reaction, as if she had really become a statue.

At this moment, she finally felt something was wrong.

So she took a few steps forward, approached Lin Ziming, and tentatively said softly, "Instructor Lin? Are you okay?"

The other Nuwazong members also realized something was abnormal.

But Lin Ziming still didn't react. Now Tian Xuanzi immediately stepped forward and walked in front of Lin Ziming. As expected, he saw Lin Ziming's eyes closed, and there was no movement in the whole person, and from Lin Ziming's nose, The eyes, mouth, and ears all slowly shed blood! !

This scene frightened her, what's the situation?

Lin Ziming was bleeding from seven holes, could it be that he died of exhaustion? !

Thinking of this possibility, Tian Xuanzi suddenly lost her face and panicked. She couldn't take care of that much. She screamed 'Instructor Lin', and then immediately supported Lin Ziming, and she was shocked to find that Lin Zi Ming's body is very cold, it looks like a corpse!

What exactly happened, could it be said that Lin Ziming had really died in battle?

For a moment, her nose was a bit sore, and her heart was pricked by a needle! !
