

## Chapter: 2000

The female disciples who had surrounded Lin Ziming immediately let go of Lin Ziming. They still listened to Tianxuanzi's words.

Lin Ziming breathed a sigh of relief, being surrounded by so many beauties just now, for him, the pressure is even greater than facing Ashura.

At this moment, Tian Xuanzi walked up to Lin Ziming, leaned back to show respect, and then said, "Instructor Lin, since you are leaving, we won't force you to keep you."

Lin Ziming said with a smile, "Thank you for your accomplishment, Sect Master."

Tian Xuanzi continued, "This time the Nvwa Sect's disaster was rescued by Instructor Lin. Only when Nvwa Sect was born again. From today onwards, all Nvwa Sects will be led by Instructor Lin. As long as instructor Lin says something, All Nuwa Sects, go up to the sword mountain and down to the sea of fire, absolutely don't hesitate!"

What she said was relatively plain, but her tone was full of seriousness and earnestness, not a joke.

The other disciples of Nuwazong also had extremely serious expressions.

Lin Ziming was taken aback for a moment, and then said with a wry smile, "Sect Master Tianxuanzi, in fact, you don't need to be like this. Asura and I had an antagonism in the first place. What happened that day was just a matter of effort. Besides, the battle between Asura and I also had my own considerations. I intend to use Ashura to temper myself."

Tian Xuanzi still shook his head, and said firmly, "Instructor Lin, it is a simple task for you, but for our Nuwa Sect, it is a great kindness! Please also instructor Lin to respect us, although we are female. Generation, but definitely not an ungrateful person."

Other disciples of Nuwazong also spoke, "Instructor Lin, please respect us!"

The bitter smile on Lin Ziming's face even worsened. Since Tian Xuanzi had already said this, if Lin Ziming refused, it would be too hypocritical.

Indeed, what Tianxuanzi said was right. To Nuwa Sect, this is a great kindness. If they don't report it, they must be very guilty for the rest of their lives. He can't deprive others of the right to repay the kindness.

After thinking about it, he nodded and said with a smile, "Well, since the lord has said so, then I am not hypocritical. When I finish my work, I will come to you often."

Only then did Tian Xuanzi smile, and said, "Instructor Lin would think this is the best thing."

Then, she took Lin Ziming's contact information again, and told her thousands of times that Lin Ziming must not forget Nūwazong before she was willing to let Lin Ziming leave.

Lin Ziming hurriedly left, but he walked far, and when he looked back, he

could still see that all the Nuwa Sects were looking at him reluctantly. In this situation, he couldn't help sighing. The peach blossom debt is getting heavier and heavier!

Shaking his head, he put the depression behind him. He was not a person who likes to be stubborn. If he comes, he will be at ease. Anyway, things have happened, and his troubles are not useful. Moreover, given the circumstances of that day, he could not save him.

Soon, he flashed away and disappeared from the sight of all Nuwazong disciples.

“Sect Master, do you think Instructor Lin will come back?”

After Lin Ziming's figure disappeared, after a while, a female disciple spoke. Tian Xuanzi also sighed slightly in his heart. She was still somewhat reluctant to give up Lin Ziming's departure. Although she and Lin Ziming had known each other not long ago, Lin Ziming did leave a deep impression on her, especially It is Lin Ziming's strong and elegant and humble character, who is the Prince Charming in her mind.

Unfortunately, instructor Lin is already married...

A smile appeared on her face, she nodded seriously, and said, “Don't worry, Instructor Lin will definitely be back!”

The other female disciples of Nūwazong heard the words of the Sect Master and immediately heaved a sigh of relief, and then showed a sweet smile, waiting for Lin Ziming's return.
