

Chapter: 2002

At the same time, on the top of a high mountain in the beautiful country, a huge manor was built, very luxurious and majestic, and it looked like a place of historical interest.

And the entire hill is shrouded in this manor, with a radius of several kilometers, except for this manor, there are no people appearing.

This is like a castle. To be the owner of this manor must be a very distinguished figure in the beautiful country.

In fact, it is true.

Many people think that the entire beautiful country represents the peak of power. It is the White House. In fact, it is not, but this manor, also known as the cloud of gods!

In it, the highest-ranking person in the entire beautiful country lives, no one, but Adam, the only strong man in the beautiful country.

When it comes to real power, Adam is even above the president. Of course, this is only a thing known to the top of the beautiful country. For most ordinary people, the president is the leader with the highest power.

Adam is basking in the sun. He is sixty years old this year, but because he is a powerhouse of the gods, and his realm has reached the pinnacle of the first-grade gods, his energy and blood are maintained very well, and his body is extremely strong. On the surface, it seemed that he was just a young man in his thirties.

He is now naked, basking in the sun by the pool of the manor. In the pool, there are many big beauties with hot bodies.

Others think that Adam is indulging and being chic. In fact, this is one of his cultivation methods. Because his vitality and blood are extremely strong, coupled with his personality, he must release himself after a period of time. Something.

Today, when it was his turn to release, he invited a lot of hot and big beauties over.

At this moment, a white man with the same stature came over, bowed respectfully to Adam, and then said, "Teacher, your strength has become stronger. Is it a breakthrough?"

Adam opened his eyes and said faintly, "It's almost, but it's almost the same. Hannibal, what is it for you to come to me?"

This white young man named Hannibal was one of Adam's apprentices. Don't look at Hannibal looking very young, he was only twenty years old, but in fact, Hannibal was already forty-five years old, otherwise, He is eligible to participate in the last Kung Fu Cup.

And his realm is the half-step psychic realm, which can be said to be Adam's proud disciple.

Hannibal said, "Teacher, the Intelligence Bureau reported that recently there

was an additional Chinese who caused chaos in the country, wounded many people, and blatantly provoked the beautiful country. Those policemen are not the opponents of this Chinese and cannot catch anyone.”

Adam raised his eyebrows slightly and said, “Chinese?”
