

Chapter: 2017

“Yes, it must be the meaning of the military god and his old man.”

“But anyway, instructor Lin’s behavior is still too dangerous!”

They all began to talk about it, and they blew up the pot at once. They really had no way to keep calm about Lin Ziming’s crazy behavior.

After they quarreled for a while, Peng Zhuo said, “I just called instructor Lin and asked him what’s going on.”

Hearing Peng Zhuo’s words, they also began to wake up, yes, what’s the use of so many discussions, it would be better to call Instructor Lin directly.

Soon, Lin Ziming’s phone was dialed, and Lin Ziming’s voice came through the speaker, “Director Peng, are you looking for me?”

Everyone heard Lin Ziming’s voice well, indicating that there was no major problem, they were still relieved.

Peng Zhuo quickly asked, “Instructor Lin, are you in a beautiful country now?”

“Yes it is.”

“Is the person who broadcast the live broadcast just now? You are blatantly provoking the beautiful country.” Peng Zhuo’s voice was a little nervous.

Lin Ziming smiled and said, “Why, do you think I did something wrong?”

Peng Zhuo quickly said, “I didn’t mean that...just, instructor Lin, would you be a bit rash if you did this? After all, in the beautiful country, there is Adam, a strong man with the realm of gods, sitting here! ”

Lin Ziming is so smart, how he couldn’t hear Peng Zhuo’s concerns, he smiled and said, “I just rushed to him.”

“This.....”

When Peng Zhuo heard Lin Ziming’s words, he didn’t know how to answer for a while.

After a while, he said, “Instructor Lin, may I ask, is this the meaning of the old man of the military god?”

“No.”

Peng Zhuo’s heart was raised instantly, and then he asked again, “Is the old man, the military god, in the beautiful country?”

Lin Ziming smiled and said, “Director Peng, I know your worries, don’t worry, I will be fine, Adam is not necessarily my opponent. Okay, I won’t tell you anymore, I seem to be here. I’m going to deal with the challenger.”

After saying this, he hung up the phone, leaving a bunch of people staring at him.

It took a while before they realized that Lin Ziming was really going to challenge Adam!

This is too crazy!
