

Chapter: 2032

Others couldn't see it, but he could see that his disciple Hannibal was not Lin Ziming's opponent, and the gap was not small.

No wonder Lin Ziming dared to be so bold and came to his place to be presumptuous!

And this also shows that Lin Ziming came to him, and in this way, he forced him to take the initiative to find Lin Ziming.

For him, who has always been arrogant, it is simply an offense, a kind of blasphemy!

This is something he absolutely cannot bear.

"Damn it!"

Adam is very annoyed now, and as soon as he exerts force, he squeezes the wine glass in his hand to pieces.

Next to him, there are several other disciples, all masters of the Innate Realm Dzogchen. Originally, they all watched the live broadcast very easily, thinking that it was only a matter of time before Hannibal solved Lin Ziming. But now it seems that this is not the case at all, Hannibal actually failed the fight, and the gap is not small...

In their minds, the big brother Hannibal, that is an absolutely powerful existence, he will inherit the mantle of his teacher Adam in the future, and this Lin Ziming is just a little-known person, how can he be Hannibal's? The opponent.

But now the facts are in front of them, so they have to believe.

"This... Big Brother actually lost his fist?"

"What is the origin of this Chinese, is he a master of the realm of Gods!"

"It must be a master of the gods, and only a master of the gods can defeat the big brother."

They were all talking about the work, and they were very shocked.

Adam listened to a flurry of irritation, scolded them directly, and said, "Enough!"

When they were rebuked by Adam in this way, they immediately shuddered. Seeing Adam's fierce look, they were afraid to speak. At the same time, they realized in their hearts that this Chinese man, I am afraid, really came to Adam.

At the same time, in China, many high-level officials in Xuanyuan 3 were also watching the live broadcast attentively. They were very nervous. When they saw Lin Ziming punched Hannibal back, the gap was obvious. His heart suddenly relaxed.

"Great!" Peng Zhuo exclaimed, his face full of joy and excitement.

Sun Liang also said, "Haha, let me just say, Instructor Lin is not a reckless person. Since he dares to do such a thing, then he must be sure. It seems that Hannibal is not instructor Lin at all. Opponent, hahahaha..."

Zhao Xia also said very happily, “Isn’t it? This Hannibal, relying on his master as Adam, won the Kung Fu Cup twice, I don’t know how arrogant it is. Over the years, our agents in China, I’m not too angry with him. Now it seems that instructor Lin teaches him, that is really happy, haha!”

“Instructor Lin is the lucky star of our country. He was able to defeat Hannibal. This time, it will give us a lot of face! Who would dare to look down on the power of our country in the future? Who would dare to look down on me? Three places in Xuanyuan?!”
