

Chapter: 2036

And Lin Ziming didn't leave immediately. Suddenly, he seemed to have thought of something, and walked toward the congenital realm master holding the camera without hesitation.

In an instant, that master of the Innate Realm, his brain exploded suddenly, panicked and feared, his feet were swaying wildly.

His face turned bloody in an instant, and big drops of cold sweat emerged from his body. Now he was really terrified.

He wanted to run, but his feet were like nailed to the ground, unable to move. You know, he is a master of the innate realm, and he has reached the stage of the third stage of the innate realm. In his circle, he is considered a genius, no matter how powerful opponents he has encountered before, he can stay calm, never fear as much as today.

Now he was just being watched by Lin Ziming's gaze, and he was terrified. There was a kind of fear from the heart, from the soul, from the genes, completely out of his control.

"No, no, don't kill me..."

He now saw Lin Ziming walking towards him, he was already scared and desperately begging for mercy, his voice trembled extremely, and there was crying.

Because he was still carrying a camera and was sitting on a global live broadcast, his voice, his tremor, and his fear were all transmitted through the machine to the people who were watching the live broadcast all over the world.

Many, many people felt the same, and realized his fear. Looking at Lin Ziming who was constantly walking in the screen, they also felt the sincere fear and fear, as if Lin Ziming would come out of the TV to kill them.

Some people who are less courageous even turned off the TV directly, not daring to watch it any more.

Even if some were bolder and relatively calm thinking, knowing that Lin Ziming would not be able to get out of the TV, they still couldn't control the extreme fear in their hearts, shivering. There are even some who wrap themselves in a quilt and just peek at them with their eyes open.

Soon, Lin Ziming walked to the camera. There was no expression on his face, but his eyes were only sharp and deep. It really seemed like he could see everyone on the opposite side of the TV through the TV. It was so impressive. shudder.

"I, Lin Ziming, come from China. I will declare one last time. Who would dare to oppress my Chinese compatriots in the future, my sickle will soon come to your head. Those of you who are not convinced can come to me. I will stay in Chinatown for another three days."

After saying this, he left lightly.

All the people present saw Lin Ziming's figure leave until it disappeared into the sky, completely invisible, and their hearts lifted up finally relaxed, and each of them was relieved, panting for the rest of their lives.

There is no way, not that they are timid, but that the coercion that Lin Ziming caused to them just now is too great, just like facing the death god, their hearts are always grasped.

Until Lin Ziming left completely, their bodies slumped, especially the congenital realm carrying the camera, and they were short of breath and muttered to themselves, "I was scared to death. This big demon finally left."

He is still on the live broadcast, and his voice can reach the ears of the whole world clearly.

As a result, Lin Ziming's image is even more terrifying and even more majestic!

Even those who watched the live broadcast in front of the TV were relieved at this time, as if they were in front of Lin Ziming, which can be said to be very outrageous.

After a brief pause, everyone came back to their senses. They weren't stupid, and soon thought of Lin Ziming's words just now, not for them, but mainly for the high-level leaders of the beautiful country, or Said it was said by Adam, the strongest of the beautiful country! ! !
