

Chapter: 2070

“Is this... Lin Ziming? How do I feel that he seems to have lived for thousands of years?”

“What? I thought I was the only one who felt this way.”

“Didn’t the information show that he is only thirty years old? Why does it look so vicissitudes? Look at his eyes, it’s too deep.”

“It seems that we all underestimated this Lin Ziming, maybe he could really beat Adam.”

“That’s impossible! Adam is the strongest man in the beautiful country, and the great demon king who has ruled the Western world for a long time. This Lin Ziming is just a young man who has just emerged and is a rising generation. How could he be Lin Ziming’s opponent? .”

“Anyway, I am more and more looking forward to this battle...”

When Lin Ziming came out, many people began to discuss with excitement. Their eyes were placed on Lin Ziming’s body, and they could see clearly that this super power who appeared suddenly dare to challenge Adam, don’t Not to mention, this courage has already surpassed many, many people! Regardless of success or failure, the name Lin Ziming will be imprinted in their hearts.

In their view, it takes great courage for a master of the congenital realm to dare to challenge a master of the god-passing realm.

Lin Ziming felt a lot of powerhouses hidden in the crowd, among them there were many masters of Innate Realm Dzogchen and a few half-step masters of God Realm.

However, these half-step masters of the God Realm are already relatively old, and their blood has begun to weaken. If they cannot break through the God Realm in a short period of time, their strength will continue to regress, knowing that they will become ordinary warriors. The state of life until death.

Under the gaze of so many people, Lin Ziming didn’t feel nervous or panicked at all. There was a faint smile on his face, like a spring breeze, the joy of joy leaped on his face, and everyone felt the joy of him at this moment. Mood.

It’s like going to a spring outing instead of going to a battle with Adam!

His performance has shocked countless people. In their opinion, even if Lin Ziming is confident, he will definitely be very cautious and nervous when facing a big devil like Adam!

But Lin Ziming didn’t have it, and they could feel that Lin Ziming didn’t pretend, but was really joyful.

Lin Ziming is indeed joy, not disguise. He has now adjusted his state to the best state, and his strength has risen a bit more than when he played against Asura.

Therefore, he has full confidence in this battle, even if he can’t beat Adam,

then he will never lose to Adam's hands.

He took steps and walked in one direction.

That is where Adam is.

In fact, Adam didn't make any statements or announcements, and chose a place to fight, but for a master of Lin Ziming's level, he can naturally sense it.

His spiritual level is far beyond what ordinary people can understand.

Kind of quantum entanglement.
