

Chapter: 2082

Just when everyone thought that Adam would turn into anger and took action at Lin Ziming, he suddenly raised his head and laughed, as if he had heard a huge joke that made him laugh forward and backward.

“A little ant in the innate realm, dare to judge me?”

Adam stared at Lin Ziming and said, at this moment, his aura changed again and became even taller. It was obvious that he was standing there and he hadn't moved before, but the image he gave everyone was his. The body was constantly raising up, turning into a giant one hundred feet tall, and Lin Ziming was just an inconspicuous ant in front of him, who could trample to death at any time.

Of course Adam will not be deformed. The reason why he gives people this feeling is because the change in his aura has created a spiritual illusion for everyone present.

Then, Adam looked at the void again, his eyes flashing like electricity, as if Whampoa Road was really there, and he snorted heavily, as if all his patience was exhausted, “Whampoa Road, I will give you face again and again I didn't want to trample this little ant to death. Since you won't come out, then don't blame me for not giving you face!”

After the voice fell, he began to attack Lin Ziming, and at the same time said, “Little Ant, are you ready to die?”

His speed is not particularly fast at first glance, as if everyone can see his movements clearly, but in fact, what they see is only the afterimage of Adam, and his speed is reaching the extreme, in the reflection of sunlight Below, the afterimage produced is nothing more.

It was completely in a flash, maybe only a millisecond, Adam had already arrived in front of Lin Zimi, and this speed was already much faster than the speed of sound.

Then Adam slapped it with a palm of his hand, which turned into a high mountain with endless heat and flames, like a volcano, and slammed it hard at Lin Ziming.

Lin Ziming was also surprised. Adam's shot was not unexpected, but Adam's shot was a killer move, and it could cause such a strong mental disturbance to him. In an instant, he had realized that Adam's strength was more powerful than he had encountered before. The Asura, a little bit higher! This is the true strength of the Tongshen Realm First-Rank pinnacle.

At this moment, Lin Ziming really felt that he was facing a volcano, and for the first time he had an unmatched thought.

Of course, this thought just flashed through his mind. Don't think he has only a half-step magical realm, but his true strength has greatly exceeded the half-step magical realm, and he can scream. It's a realm of God!

Cross-boundary challenge, this sentence seems easy to say, but under the

world, it can be said that it is very rare, especially in the congenital realm, and it is even rarer to cross the boundary to challenge the god-passing realm! Lin Ziming is one of them.

Facing Adam's shot, Lin Ziming didn't have any panic. On the contrary, he was only happy and excited.

Regardless of how gentle and gentle he usually looks, in his bones, he is actually a fanatical militant who is strong when he encounters a strong opponent. The stronger the opponent, the more excitement in his heart can be aroused!

Now Adam is the most powerful opponent he has encountered since his debut. Could this excite him?

"Good job!"

Lin Ziming yelled violently. He rarely backed away. Instead, his legs sprinted, his loose trousers, with a snap, were actually stretched torn apart by his muscles swollen legs.

His legs, as if they were made of steel, were full of explosions. The lines seemed to be much more beautiful than any bodybuilding expert in the world!
