

Chapter: 2089

“Shakyatuni, aren't you the same?” Bu Jingyun snorted.

On Lin Ziming's side, after he collided with Adam, this huge force caused his body to fly horizontally, his throat was sweet, and there was a puff of blood trying to spit it out, but he swallowed it back, but his face was a little bit. Scarlet enthusiastically.

And Adam was not much better, his body also flew upside down, and finally landed firmly on the ground.

His body swayed slightly.

At the same time, the gold on his face became more obvious.

He was also injured.

“Lin Ziming!” He stared at Lin Ziming, and these three words emerged from his bones. Now his hatred for Lin Ziming is extremely deep!

But there was also a little more fear and regret.

Lin Ziming's strength can be said to have greatly exceeded his expectations. Before that, he had never imagined that Lin Ziming's strength would be so terrifying! ! !

If he knew that Lin Ziming's strength was so terrifying, then he would definitely not play so lightly on the enemy's field today, and would prepare for the battle, even if he used insidious tricks, he would not hesitate, as long as he could kill Lin Ziming, that would be enough.

But now, he didn't have any assassin skills, relying on his own hard power to fight Lin Ziming, it really annoyed him.

More of regret. I knew that Lin Ziming, a little beast, could grow up to this point. At the Kung Fu Cup, he said that he would kill Lin Ziming for whatever reason. At that time, he killed Lin Ziming as easily as trampling on an ant.

It's a pity, it's too late to say anything, Lin Ziming, a little thing that has grown up, has become a threat to him.

He was very convinced that Lin Ziming had only half-stepped into the God Realm, and he hadn't really stepped into the God Realm, his strength was already so terrifying.

If Lin Ziming is allowed to step into the God-Throughout Realm, he will definitely not be Lin Ziming's opponent by then!

He could also tell from the look in Lin Ziming's eyes that Lin Ziming rushed to kill him. If he didn't keep Lin Ziming today, then Lin Ziming would definitely come back to kill him in the future!

“Hahahaha!”

Lin Ziming laughed loudly, very bold and excited, “Fun and enjoyable! I haven't had this pleasure for a long time! Adam, you really did not disappoint me. Your strength is much stronger than Ashura. This I am very satisfied with World War I, hahaha!”

“Come again!!”

With a long roar from Lin Ziming, Lin Ziming once again rushed towards Adam. He now feels extremely bold, completely like a jealous and enmity, a chivalrous knight who lives in a chic life. He is happy from the bottom of his heart when he meets his opponent. And invigorating, and Adam's sinister bird and heaviness formed a sharp contrast.
