

Chapter: 2091

“I originally thought that in the 21st century, when hot weapons are developed, the power of science and technology is too great, especially with the emergence of nuclear bombs. How can humans fight against hot weapons? The world must be respected by science and technology. It seems that I was wrong, and what was wrong is still outrageous!! It turns out that human beings can really cultivate to the realm of gods...”

“Adam’s strength is worthy of being the strongest person in Beautiful Nation. However, this Lin Ziming is too terrifying... The key point is that he has just reached 30 years old!!”

“Hua country is about to take off. As long as Lin Ziming can escape from Adam in this battle, then he will definitely be able to break through to the realm of the gods, and the country will take off...”

Many people watched the battle between Adam and Lin Ziming, and there was already a turbulent wave in their hearts, and they all agreed that China was about to take off.

Originally, they thought that Lin Ziming’s challenge to Adam was just a moth fighting the fire, and it was an act of death, but now it seems that this is not the case!

The strength shown by Lin Ziming would not be comparable to that of a errand. They also dispelled Lin Ziming’s idea of supporting Huangpu Dao, because Lin Ziming had reached this level and there was no need to look for Huangpu Dao to support him.

At the same time, they also believed Lin Ziming’s words even more. Adam, it’s really possible that he was a stingy person. The geniuses of Western countries over the years were all killed by Adam.

Once this kind of thought came into being, their emotions towards Adam had already been worshipped, and even a terrible thought had arisen.

Such a stingy person is not qualified to be their patron saint, and they even hope that Lin Ziming will defeat Adam.

For Lin Ziming, he had already closed his five senses a long time ago. In his eyes, there was only Adam. He simply didn’t care about other people’s emotions and other people’s thoughts.

His speed is getting faster and faster, his moves are getting more and more sophisticated, his physical strength is continuous, like nuclear power, inexhaustible.

Moreover, under such a high-intensity confrontation, his mood became more and more excited. Adam’s strength was very strong. During the battle with Adam, he brought him a lot of help and made him understand a lot of the past. Doubts that can’t be figured out even after thinking hard.

On the contrary, it was Adam. The more he fought, the more depressed he became, and even more irritable. In his opinion, this Lin Ziming is an

unkillable Xiaoqiang, especially annoying. He has already used all his strength and can beat the ground. Shan Yao, actually couldn't take Lin Ziming, this was absolutely incredible to him! !

He also felt that many people around him had a change in his emotions. If he really lost to Lin Ziming, then his reputation would be discredited.

Damn, damn, why this damn China can cultivate the damn Lin Ziming!

His mood was getting more and more irritable, and at this moment, he caught one of Lin Ziming's flaws, and clearly felt that Lin Ziming's movements and speed had weakened a lot, and it seemed that he was experiencing more physical strength. Happening.

Suddenly, his eyes lit up, his depressed mood instantly became excited, and a smile appeared on his face, launching a fatal attack on Lin Ziming's flaw.

He is confident that his punch will definitely hit Lin Ziming.

And as long as he can hit Lin Ziming, then with one hundred percent of his punches, Lin Ziming will definitely be hit hard.

However, almost at the same time when he punched, a playful sentence rang in his ear: "Adam, you have been fooled."
