

## Chapter: 2092

Hearing these words, Adam suddenly slammed in his heart, and in an instant, he felt bad.

Because this voice was made by Lin Ziming, and his tone was full of playfulness and teasing, where is the panic of half flaws exposed?

However, when this was completely electric light and fire method, his thoughts just flashed by, and there was no time to react at all. His fists had already been punched out and could not be taken back.

Sure enough, he ushered in the thing that scared him the most, and even feared it.

He missed the punch.

The flaw that Lin Ziming revealed just now was not a flaw at all, but a trap designed by Lin Ziming.

“not good!”

He yelled out this in his heart, and immediately afterwards, he really felt an unprecedented sense of crisis. He raised his head and met Lin Ziming’s teasing eyes and saw Lin Ziming’s heavy kick.

This kick was kicked out from an extremely tricky angle, revealing the flaw from Lin Ziming, dodging his fist, and kicking it out in one go. It was a trap that Lin Ziming carefully designed!

It was too fast. If Adam was in a normal state, he could still dodge it reluctantly, and even counterattack Lin Ziming.

However, it doesn’t work now.

Because he just hit the empty punch with all his strength, his body has lost balance, and he needs to spend extra physical strength and time to adjust his center of gravity.

In fact, this time is only milliseconds, faster than the blink of an eye. If you change to an ordinary person, you can’t see clearly, let alone react. For masters of the Innate Realm, even if the eyeballs can be captured, the body will never react so quickly.

However, for Lin Ziming, that time was ample, and at this moment, Adam’s defeat was set.

Lin Ziming kicked out with this kick, and he was strong enough to break the ground, and could knock a building down abruptly!

This was also a kick that he designed for a long time and spent his full strength on the blow. When Adam hit the punch just now, the victory or defeat was already doomed.

There was a loud bang!

This kick was accurately kicked on Adam’s body.

The sound was huge, comparable to a depth bomb exploding, kicking Adam’s body, and faintly heard the sound of a fracture.

Although Adam used his arm to block Lin Ziming’s foot at the last moment,

the power of this foot also directly penetrated his arm and penetrated into his body.

Also, his arm was kicked and broken.

The piercing pain spread throughout his body, causing his expression to be distorted for the first time, and he also let out a scream.

At the same time, his body flew upside down.

In the eyes of everyone, he was kicked out by Lin Ziming's kick like a ball.

When most of them didn't react, Lin Ziming didn't have any ink marks, his legs were bent at the knees, and then he ejected heavily, chasing Adam who was flying upside down in the air.

Take advantage of his illness to kill him.

Lin Ziming severely wounded Adam, so naturally he wanted to take advantage of the victory and pursue him and take Adam in one go.

Adam's pupils contracted and he felt a strong sense of crisis. In his line of sight, he heard the sound of rumbling from the ground. Lin Ziming ran towards him extremely fast, too fast, and rose on the ground. There was a heavy dust.
