

Chapter: 2093

In the eyes of everyone on the shore, Lin Ziming was no longer a human, but turned into a huge bulldozer, pushing it towards Adam, and any object in front of him would be torn apart by him.

This is a horrifying scene.

“Adam is defeated, huh...”

It was Bu Jingyun, he stared at Lin Ziming closely, his pupils contracted, and extremely strong fear appeared in his eyes, even with some fear!

Others might not be able to see how powerful Lin Ziming was just now, but he could see that the strength of this Lin Ziming was too terrifying, and it had completely reached the pinnacle of the first stage of the God-Throughout Realm!

You know, Lin Ziming is still only half-step through the Divine Realm. Strictly speaking, this is still in the category of the Innate Realm, and it is so horrified to have such strength.

Even if he faced Adam, he would never be so calm, let alone defeat Adam.

The Shakyatuni who was on the side, his pupils contracted, staring at Lin Ziming closely, and took a long breath, “In the world, there really is a super arrogant, the strength that Lin Ziming has shown. Enough to be called a peerless genius!! After this battle, Horror will directly hit the forefront of the immortal ranking list. I don’t know if he is ranked second or third.”

Bu Jingyun didn’t speak, his eyes fixed on Lin Ziming, his expression changed a few times, and then he breathed a sigh of relief.

The Shakyatuni next to him looked at him and said, “Even you are in awe of Lin Ziming, don’t you have a choice?”

Bu Jingyun said: “Lin Ziming, leave it to Xiaoyaozi, the pervert. In the next time, I will go back to retreat and wait for the time for the secret to open.”

After saying this, he stopped staying, turned around and left.

Shakyatuni, after staring at Lin Ziming deeply, he didn’t have the choice to take a shot, but left with Bu Jingyun.

And their departure did not have any impact on everyone, but for Lin Ziming, it was a sigh of relief.

In fact, after he knew that Bu Jingyun and Shakya Sunni were also at the scene, he had always focused part of his attention on the two of them, always preventing the two of them from sneaking.

So when he faced Adam, he couldn’t show his 100% strength.

It’s all right now, Bu Jingyun and Shakyatuni finally left, so that he can absolutely let go of his hands and feet, and beat Yatian to death in one go.

When it was said that it was too late, he had already chased under Adam, the body flying in the air of Adam, when he was about to fall down, he stretched out his hand and grabbed Adam on the top of his head.

Because Adam was in the air and couldn’t take advantage of it, even if he

kept twisting his body, there was no way to escape Lin Ziming's grasp. Lin Ziming grabbed his foot directly and easily, then swiped hard and smashed Adam to the ground with a loud bang. Adam's body was all plunged into the mud. This scene was so shocking that everyone was stunned. Adam was smashed so hard that his internal organs couldn't bear it, and a mouthful of blood came out. His injury is more serious! However, as a powerhouse of the God Realm, his physique is still very strong, and he immediately wanted to get out of the land and struggle to escape. Now he has no fight anymore. He has only one idea, and that is to run, run with all his strength. However, when he struggled out of the ground, he met Lin Ziming's face and followed with a cry, "Adam, you are defeated."
