

Chapter: 2094

As Lin Ziming's words fell, Lin Ziming's fist had already landed on Adam's back with a loud bang.

Adam shouted: "No!!!"

Immediately afterwards, his huge body flew out heavily.

The person spit out a big mouthful of blood in the air, and his face was like golden paper.

This punch by Lin Ziming just now was so powerful that it directly displaced all his internal organs!

And the most important thing is that Lin Ziming's punch directly sentenced him to death. He was defeated, and the defeat was very complete.

Just now, the power of Lin Ziming's punch was so great that everyone present could feel it. Hearing the sound of the punch, the scalp numb involuntarily, and the whole body was shocked.

This seems to be no longer a fist that a mortal can punch. Its power is comparable to a super cannonball. Even a skyscraper will have to be broken up by Lin Ziming.

No matter how strong Adam's physique was, he would definitely not be able to withstand Lin Ziming's punch.

The whole audience was silent, everyone was already dumbfounded, looking at the scene in front of them with dementia.

Adam was defeated. After being hit by Lin Ziming's punch, his body took a parabola from the air and then fell heavily to the ground.

This time, Lin Ziming didn't have the chance to pursue the victory. He took a long breath, and white mist appeared above his head, as if the whole person was boiling, and at the same time he was sweating a lot. , Stuck to the clothes.

It looks somewhat exhausted.

He won and defeated Adam, but after all the opponent was Adam, he still paid a lot of money, his physical strength was consumed 90%, he also looked a little embarrassed, and suffered some injuries. The right hand was also stained with blood, but it was not serious. The injury he suffered was a minor injury. As long as he adjusted for a period of time, he would soon be able to return to the peak.

His pupils were originally black and white, but they slowly returned to normal, and they became more radiant, returning to their natural state from the state of colored glaze.

He won.

Taking a deep breath, it seemed that the stale air from the whole body was exhaled.

He slowly recovered his strength, and a bright smile appeared on his face again.

He raised his hands and said loudly, “My fellow citizens, I, Lin Ziming, lived up to expectations and won.”

The Chinese compatriots who were present were caught in a brief stupefaction. Then, a huge wave erupted, constantly shouting, “Instructor Lin is invincible! Instructor Lin is invincible!!”

As for the others, the expressions on their faces are so wonderful now, their mouths are open, and they can't close for a long time.

Now they finally realized that Lin Ziming won, and he won very beautifully. Adam was not his opponent at all.

For them, this is really a huge impact!

Adam, as the strongest man in the beautiful country, and the great demon king of the entire Western world, has long since entered the realm of transcending the gods. He is a world-renowned super powerhouse. Now that he has lost to Lin Ziming, he is a rising generation.

To be honest, this fact really subverted them greatly, and even couldn't believe it.

“No, this is not true... Adam is the patron saint of our beautiful country, how could he be defeated, how could he be defeated... This is not true, this is not true... ..”

There is a strong man in a beautiful country, now his expression is demented, and his whole person is in a state of out of control. He can't believe that what happened before is true, or that he can't accept the fact that Adam is defeated.
