

Chapter: 2095

Soon, others responded like this.

“No, no, this must be an illusion. Adam is invincible. He is the strongest in the beautiful country. Our beautiful country is the world’s strongest country. How could we lose to a young man! This is fake, it must be fake. !”

“Hahahaha, the fake ones are all fake, they must be fake...”

Some people are even crazy, crying and laughing, unable to accept the facts before them.

Even the politicians of the beautiful country can’t believe it now, and their expressions are also wonderful to the extreme.

Including those who were Adam’s apprentices and his fans, all of them were struck by lightning.

Many people couldn’t accept this fact and began to cry.

Many beautiful people who are watching the live broadcast are now like a concubine. Adam’s failure is undoubtedly the collapse of faith for them! !

If Adam was defeated by China’s military god, it’s fine, but the point is that he lost to Lin Ziming, a rising star of China. This is undoubtedly giving them a big slap in the face and slapped them all over. Vegetarian.

Lin Ziming took a few deep breaths, and after quickly regaining part of his physical strength, he began to walk towards Adam.

Adam’s current state is very weak, his expression is already distorted, out of control, full of panic and regret, as well as desperation, can’t believe it.

He is now more difficult to accept the reality before him than anyone else.

It seems to be a king who once slammed Fang Qiu, but was defeated by a little-known little person and nailed to the pillar of shame. For him, it was the most extreme humiliation in the world!

He now felt Adam coming, especially that gaze, staring at him was full of teasing and mockery, and for him, it was even more unacceptable.

“You are not Lin Ziming, who are you?!”

“You must be an old monster, otherwise it is impossible to have such a terrifying strength! Who are you? Say, who are you?!”

Lin Ziming walked up to him and looked at him condescendingly, “Adam, your time is over.”

When Adam heard his words, he was furious and hissed and roared, “Come here, get me this damned traitor!”

He is like an apocalyptic king, who has lost his mind and is doing things that are laughable and generous.

Lin Ziming looked at him coldly, without any mercy, even with some mockery, “Adam, you don’t have to pretend, you are crazy and can’t deceive me.”

Adam heard his words, his expression changed a few times, and then he returned to his normal appearance. He stared at Lin Ziming and said, “Lin

Ziming, you win, and I recognize your strength.”

After speaking, he stood up, ready to leave.

It's just that he didn't take a few steps, so he was stopped by Lin Ziming, “Want to go? I'm afraid it is not that simple.”

Adam's expression changed when he heard these words, “Lin Ziming, what do you want to do?!”

Lin Ziming smiled and said, “I don't want to do anything, I just want to kill you.”

After speaking, Lin Ziming directly started to shoot.

The speed was very fast, and he was in front of Adam in the blink of an eye, and he struck out a move, breaking the world, and Adam once again smelled the smell of death.
