A LIFE UPSIDE DOWN

Chapter: 2098

On Lin Ziming's side, he didn't know the situation on Chu Fei's side. When he saw Adam completely dead and died in his hands, he finally took a long breath in his heart, a big rock in his heart. Put it down.

To be honest, when he decided to come over to challenge Adam, there was still a lot of pressure in his heart, but he didn't show it.

After all, Adam is not a little shrimp, but the strongest person in the beautiful country, the great demon of the entire Western world, and even the person who overwhelmed the military god Huangpu Road. Over the years, it is precisely because of the existence of Adam, the beautiful country The development of China is so rapid, and the means in the international arena are so tough.

It can be said that Adam was a big rock on the head of China, and now, Adam was finally removed by him.

Moreover, Adam himself is a leader in the realm of the gods, and his cultivation level can be said to be the highest, no one is invincible. Lin Ziming uses the realm of the innate realm to challenge Adam, he himself has to bear huge pressure.

Moreover, this is a road of no return. If he loses to Adam, it is not just as simple as losing his reputation. What is lost is life!

Fortunately, he finally won Adam, so at this moment, he really relaxed in his heart, with a sincere smile on his face, took a deep breath, and felt that his whole body was much easier. Become bright.

He opened his arms to welcome the new life.

The battle with Adam just now brought him a lot of insights, and made him feel more deeply the wonder of the realm of communication, that kind of mysterious and mysterious world.

This battle is far more enlightened than the battle between him and Asura, as long as he digests it, he will definitely be able to break through to the realm of the gods!

And once he breaks through the god-passing state, how strong will his strength be? He couldn't even imagine it himself.

At this moment, the whole audience was still silent. Everyone held their breath, not daring to make any movement at all, looking straight at Lin Ziming on the island.

It may be said that it is no longer a small island, but a stone of about three square meters.

Because the entire island, under the frenzied bombardment of him and Adam, Shen Chen went to the lake, which also caused the lake's elevation to rise by one meter!

This level of battle can be described as extremely terrifying. Everyone felt shocked and frightened by it. When looking at Lin Ziming, it was even more like seeing a god, not a mortal.

Under the exaggeration of this kind of emotion, some people actually knelt down, bowed their heads towards Lin Ziming, and made a voice of worship, "Instructor Lin is invincible, Instructor Lin is invincible..."

People are provocative. After the first person made such an action, soon others followed suit.

They did not simply imitate Lin Ziming in order to favor Lin Ziming, but worship Lin Ziming from the bottom of their hearts, and regarded Lin Ziming as a new faith.

Many Chinese compatriots knelt down and bowed to Lin Ziming in the center of the lake, constantly shouting, Long live Instructor Lin, Instructor Lin is invincible...

This kind of situation, for the others present, the shock is also extremely huge, especially for those beautiful people who are heartbroken, the shock is even greater.

In their minds, Adam was an invincible existence, and now he was beaten to death by Lin Ziming. Lin Ziming was undoubtedly his own hands, and cruelly destroyed their beliefs, causing them to completely collapse.

Many people couldn't help but started crying.

Even the high-level politicians of many beautiful countries are pale at this moment, like a concubine. For them, Adam's death has hit them too much, and even made them confused and at a loss.

It is conceivable that after this, the beautiful country will slowly fall, until it withdraws from the position of the world's largest power.
