

## Chapter: 2100

The moment he boarded the plane, Lin Ziming was still a little emotional. Speaking of it, he had been out of China for three months. This is a long time since he left Chu Fei.

To be honest, from the bottom of my heart, he still misses Chu Fei very much.

In peace time, he hid all this thoughts in his heart.

Of course, in addition to Chu Fei, he also misses Tao Sanniang very much. In any case, Tao Sanniang is his confidante, and there is a deep emotional foundation between the two.

I don't know what has happened to the strength of these two confidantes now that three months have passed. Chu Fei has not broken through to the second stage of the innate realm, and Tao Sanniang has broken through to the innate realm again?

When I thought about it, Lin Ziming was still very happy when he was reunited with the two of them after returning. The corners of his mouth rose involuntarily, and a happy smile was outlined.

Because of his events this time, he was so famous that he was broadcast live twice by the whole world, especially his defeat of Adam. For the whole world, the shock was great. Now his reputation must be great. And he is a low-key person. For unnecessary trouble, when he returned to China, he chose to pretend to be himself and changed his face a bit to make himself look like he was not what he used to be.

Because it is too far to return to China from the beautiful country, and this time Lin Ziming chose to land in a country halfway through, make a transfer. Originally this was a very common thing, he didn't care about it, but when he was going out to eat on the way, he actually met an acquaintance.

Although the other party was wearing sunglasses and they were wearing them very tightly, Lin Ziming recognized it all at once. Isn't this beautiful-looking woman Ning Yuning? That is a female celebrity who is particularly well-known in China and has spread all over Asia!

When he saw her, Lin Ziming thought of many things.

Speaking of it, there was also a story between him and Ning Yuning, and Ning Yuning still liked him, even Chu Fei knew about it, and he encouraged him to harvest Ning Yuning. But at that time he didn't have any feelings for Ning Yuning, and left the matter alone.

In addition, Ning Yuning took the initiative to contact him several times later, asking him to go out, but he was unreasonable. As time passed, he and Ning Yuning didn't contact him anymore.

Ning Yuning obviously knew his thoughts, and later did not continue to pester him, and everyone was lost between the two.

I didn't think that after so long, he still met Ning Yuning, and he was still in

a foreign country.

To be honest, Lin Ziming's impression of Ning Yuning is still very good, not only because Ning Yuning is beautiful, but more importantly, Ning Yuning is also a very pleasant woman with a very good personality.

Later, after he drifted away, he didn't have the choice to stalk him.

Lin Ziming kept staring at her, and finally caught the attention of a woman next to Ning Yuning. Her expression was very ugly and full of disgust. He pushed Ning Yuning and said, "It's disgusting, there's a guy over there. I've been peeking at you, I must be a pervert."

When Ning Yuning heard these words, she smiled slightly and was a little angry, as if she was used to this kind of thing.

As a big star, her fans can be said to be all over the world. Now it is normal to be stared at at the airport, but she is now wearing big sunglasses and wrapping herself tightly. It stands to reason, not People who know her well are also more difficult to recognize her.

Although they were a bit far apart, Lin Ziming's ear power was of course clear.

Lin Ziming smiled slightly. Of course, he was also not angry. Originally, he wanted to say hello to Ning Yuning. After all, the two were friends once, and if they were not a couple, there was no need to turn a blind eye.

But he just heard the words of the woman next to Ning Yuning, he still resisted this thought. Since Ning Yuning has already lived his own life, it is very likely that he has forgotten him, then he is not necessary. To disturb other people's lives.
