

Chapter: 2102

Under Ning Yuning's nervous gaze, the person in front turned around, revealing a sallow face.

When she saw this face, the mood she had originally expected was immediately lost.

She still admitted wrong. Even if the background of the man in front of him was really similar to Lin Ziming, it was not Lin Ziming, but a strange man.

"Miss, are you looking for me?" Lin Ziming said. He not only changed the appearance on his face, but also his voice. Now he is completely different except for his similar body shape. Up.

Disguising and changing the voice are out of reach for an ordinary person. Even with the current high technology, it is difficult to change 100%.

But for people of Lin Ziming's realm, that is a breeze.

Now his appearance has completely changed, even if Chu Fei stood in front of him, she might not be able to spot him.

Not to mention Ning Yuning.

Ning Yuning's expression of expectation and joy, lost and dimmed at a speed visible to the naked eye, she then forced a smile and apologized: "Sorry, I confessed to the wrong person."

Lin Ziming sighed secretly when seeing her like this. It seemed that Ning Yuning still didn't forget him.

It's a pity that he has enough peach blossom debts on his body now, and he really doesn't want to provoke other women anymore. Ning Yuning is a good woman, but he feels that way about Ning Yuning, and Ning Yuning is an ordinary person. He is still a big star, and if he is with him, it will have a huge impact on Ning Yuning's life.

There is no need for this.

He nodded, hmm, and continued to turn and leave.

Ning Yuning was very disappointed, but there was no other way but to return to her seat in despair.

"Yuning, what did you do just now? It shocked us! You are a big star, you can't talk to people casually, especially if the other party is still a man, if you are photographed by the media, it will affect your reputation.!"

After Ning Yuning returned, the female assistant next to her frowned and said dissatisfiedly.

Ning Yuning was still a little lost, nodded, and said nothing.

When the female assistant saw her like this, her tone became a little loose, and she said, "You have admitted to the wrong person again. Your reputation now is not as good as before. If Lai Shao were not willing to spend a lot of money on you this time, you are very likely. Just fade out of the entertainment industry! So you still don't do this kind of thing in the future, and quickly forget the man, otherwise let Shao Lai know, he will be

very upset, you know?!”

Ning Yuning’s face was full of bitterness, she said, “Sister Hua, it’s not that I don’t want to forget him, but it’s really hard for me to forget him. Also, I don’t want to have any trouble with him for that Lai Shao.”

Sister Hua immediately frowned and said, “What nonsense! Your reputation is no longer than before. The competition in the entertainment industry is so fierce now. In the past two years, there have been so many outstanding newcomers, and you still can’t get resources. It’s easy to be forgotten by the public! It’s rare that Lai Shao fell in love with you this time and is willing to spend a lot of money on you. You must seize the opportunity, you know!

“But...” Ning Yuning wanted to speak again, but she was interrupted directly by Sister Hua, “What’s the matter, Lai Shao is coming soon, he is the young son of a big group, and he is extremely honorable. If you can make friends with him, then your star journey will be bright!”

Ning Yuning’s lips moved and wanted to say something, but in the end she still didn’t say anything.
