

Chapter: 2103

Lin Ziming, who was on the other side, did not leave immediately. Instead, he focused on Ning Yuning's body. He heard the conversation between them and saw what Ning Yuning looks like now. Obviously, now Ning Yuning's career is a bit unsuccessful. It seems to be in trouble.

Originally, Lin Ziming didn't want to pay attention to so many things, but anyway, Ning Yuning and him were friends. Now that the friend is in trouble, he just happened to meet him, and he still can't die.

Therefore, he still stopped, intending to follow Ning Yuning for a period of time to see if Ning Yuning would really be in trouble.

After a while, Sister Hua received a call. She immediately showed a surprise on her face. She pushed Ning Yuning and said, "Cheer up, Shao Lai is here, and you want to show your most beautiful side, to impress Lai Shao. do you know!"

Ning Yuning was still a little lost, but it seemed that she had been crushed by life, and now she had learned to cater to and obey. Even if she was unhappy in her heart, she instinctively squeezed out a smile.

It's just that this smile looks stiff and painful.

Lin Ziming sighed again when he saw her like this. When he saw this, he still didn't know where he was. During the period of losing contact with him, Ning Yuning was probably not happy with her life, even her career. Suffered from Waterloo.

Soon, he turned on his phone and searched briefly, and he saw a lot of negative news about Ning Yuning on the Internet. For example, he was distracted at concerts. He didn't show up for a long time. He was clumsy on variety shows and new songs. It's ugly, and the filming doesn't wait for the news seriously.

Although it is not a big scandal, but combined, Ning Yuning's personality has become so good. Even her fans have been missing for a long time. It has only been two years, and she has been from the first line of stars. , Slipped to the third line.

In time, she is likely to slowly fade out of the entertainment circle, and everyone will be confused.

For a star, this is not famous and popular, it is undoubtedly death, and it is the saddest thing.

And all this happened, most likely, because of his loss of contact.

To be honest, although Lin Ziming can't be said to be ashamed, he still feels a little bit sorry in his heart.

Since he has met now, he can help.

Now his realm has risen rapidly, and he has reached the door of the God-passing realm. He will be able to set foot on the real God-passing realm just one last time. When that happens, he will be the most powerful group of

people in the world. Therefore, his vision and pattern have increased a lot. In the face of emotional disputes like Ning Yuning, he is not as extreme as before, and it cuts across the board.

Since Ning Yuning hasn't forgotten him for more than a year, it is rare to meet him. It may be the fate given to them by God. If you can't be a couple, you can still be friends.

With this thought, Lin Ziming planned to save Ning Yuning.

Because he had already seen that Ning Yuning's Yintang had gone dark, there must be a catastrophe today.

At the same time, there is a ray of life hidden in this disaster, and this ray of life is his appearance.

Not long after, Lin Ziming saw a wave of people and horses, and they walked over violently. The one who was in front of him should be the so-called Lai Shao.
