

Chapter: 2105

When Ning Yuning saw Lai Shao, some nervousness and jealousy flashed in her eyes, but in her current situation, there was no way out.

This is a task arranged by the company for her. If she does not please Lai Shao and the cooperation falls apart, then according to the contract, she will have to pay a large sum of money!

And she doesn't have much money at all now, if she really loses money, then she will be finished.

So even if she is not happy anymore, she can only stand her teeth through gritted teeth, hoping that Lai Shao, a lot of barbarians, will not force her to occupy her!

Sometimes a woman becomes helpless, really helpless. Once again, she thinks of that stalwart figure. If Lin Ziming is here, she can definitely protect her, right?

It's a pity that this is just her imagination, her wishful thinking. Over the past year, she has had such thoughts countless times, but Lin Ziming never showed up.

Now in a foreign country, Lin Ziming is even more unlikely to appear.

"What are you doing in a daze, don't hurry up to meet Lai Shao." Sister Hua saw that she was still in a daze, pushed her with hatred of iron and steel, and then strode forward to meet her.

Ning Yuning had to continue to squeeze a smile, and walked towards Lai Shao with Sister Hua.

"Oh, Shao Lai, you are finally here! Long admiring your name, Shao Lai is indeed a magnificent person, a dragon and a phoenix! We have always admired you. Just now we kept telling me that we wanted to see you, but I was very nervous, for fear that I would not I can talk, I'm offending you."

Sister Hua's eloquence is very good, and she greeted her with a flattery. After Lai Shao listened, she was very happy. "Haha, Sister Hua was joking. I really admire Miss Yu Ning. To be honest, I have always been a fan of Miss Yu Ning, and I have long wanted to see Miss Yu Ning, hahaha."

Hearing his words, Sister Hua's original nervous mood immediately relaxed a lot.

Then, Shao Lai put his gaze on Ning Yuning's face and saw that Ning Yuning was still wearing a mask and sunglasses. She frowned slightly, slightly displeased, and said with a smile, "I heard that Miss Yuning is better than It's even more beautiful on TV, I don't know if that's the case?"

The meaning of what he said was obvious. Sister Hua immediately understood it, and quickly winked at Ning Yuning and asked her to quickly take off her sunglasses and mask.

Ning Yuning saw Lai Shao's fanatical eyes, and she felt a little sad. In her opinion, she seemed to have become a prostitute, trying to please customers.

But in this situation, she had no choice but to take off her sunglasses and mask obediently.

Sure enough, when Lai Shao saw her true appearance, his pupils immediately contracted, showing an expression of appreciation and salivation, staring straight at Ning Yuning, the look in his eyes was about to swallow Ning Yuning into his stomach. !!

Lin Ziming, who was not far away, also saw Ning Yuning's appearance, and had to admit that Ning Yuning was still very beautiful, especially she had a unique temperament, she looked very feminine and full of temptation.

Ning Yuning felt uncomfortable being stared at by him, but she had to squeeze a smile.

It's just that her smile looks reluctant. After making Lai Shao look at it, she was a little unhappy and said in a deep voice: "Why, Miss Yu Ning doesn't want to see me, the smile is so stiff?"

Sister Hua immediately explained: "There is no such thing! Lai Shao, you have misunderstood, Yu Ning is not talking about rushing to announce this time, so she has no rest, she is very happy to see you Lai Shao! This time I can cooperate with Lai Shao, but Yu Ning has made a lot of preparations, and is very grateful to Lai Shao!"

Sister Hua deliberately pronounced the word 'grateful' very heavily, and the meaning expressed in it was self-evident.

After letting Lai Shao listen, he immediately showed a wicked smile and began to look at Ning Yuning's figure without concealment.
