

## Chapter: 2106

“Really? Then I have to look forward to it, ho ho.”

When he said these words, his expression was very awkward and ambiguous, and his eyes almost fell into Ning Yuning’s body and couldn’t get out.

Everyone is an adult. It’s still unclear. What does he mean by this sentence? Obviously, there is a hidden rule for Ning Yuning.

This kind of thing is not uncommon, and many of these things happen, but for Ning Yuning, she has worked so hard in the entertainment circle for so long, relying on her talent and hard work, and she has never had it since her debut. By any unspoken rules.

Now that her career is going downhill, she has to accept the unspoken rules. This is an extremely sad and painful thing for her.

However, at this time, she has no ability to resist at all, and can only accept it silently.

Lai Shao looked at her eyes, which made her feel very uncomfortable, his eyes seemed to go through her clothes, naked.

Every time at this time, she couldn’t help but ring Lin Ziming, the man who, despite his shameless appearance, was full of charm, and would not look at her with disgusting eyes like other men.

It’s a pity that such a good man does not belong to her...

There are so many men she has met, most of them come for her looks and fame, very few are like Lin Ziming.

Now facing Lai Shao’s coercion, she had no choice but to squeeze out a smile.

Next, Ning Yuning’s team followed Lai Shao’s group and left the airport to go to a nearby restaurant for dinner.

Lin Ziming thought for a while and followed.

At this time, he had already determined that Ning Yuning was definitely in trouble. If he couldn’t save her, then Ning Yuning would be 100% affected by this Lai Shao rule.

If this kind of thing really happened, based on Ning Yuning’s character, she would probably do stupid things.

In any case, Lin Ziming still cannot die.

Lin Ziming followed all the way and found that they had indeed gone to eat.

And I went to a big hotel nearby and booked a box.

Lin Ziming watched them enter the box, thought for a while, and did not go in immediately, but booked a place in the box next door.

“Come on, Miss Yu Ning, I’ll toast you a drink!”

After taking a seat, Lai Shao took the initiative to toast Ning Yuning, with a wicked smile on his face, which made people look silly.

Ning Yuning showed a little embarrassed expression on her face, and said apologetically: “Lai Shao, I’m sorry, I’m allergic to alcohol, or should I

replace the bar with tea?”

Suddenly, Lai Shao’s expression became cold, and he said displeasedly, “Allergic to alcohol? Ning Yuning, are you not giving me face! I heard that you are in China and you rarely socialize with big bosses!” “
