

Chapter: 2107

He changed his face very quickly, and his face was full of spring breeze just now. This moment, he immediately became gloomy, and he himself was a congenital Dzogchen with an extremely huge aura. How could a weak woman like Ning Yuning be able to resist?

Suddenly, Ning Yuning's body trembled fiercely, and she became awed.

Sister Hua and others were even more frightened. Sister Hua quickly said, "Hey, Lai, don't be angry. Yu Ning is joking with you. Yu Ning is not allergic to alcohol. Drink a little bit."

Then Sister Hua winked at Ning Yuning again and said, "Yuning, Lai Shao is a big man. He took the initiative to toast. That is your blessing. Don't hurry up and have a few drinks with Lai Shao!"

Ning Yuning felt very aggrieved. She was indeed allergic to alcohol, and the amount of alcohol was particularly bad, so she had to drink a little bit to get drunk easily.

She is not stupid, and now she can see that Sister Hua is anxious to send her to Lai Shao's bed, so that she can serve Lai Shao well and become a tool for making money!

If this situation were changed before, she would have left directly.

But now, she is no longer the big star she used to be. She is beginning to go downhill, and she is still contractually bound. If she doesn't please Lai Shao this time, then she will have to pay a huge amount of compensation.

However, her parents are sick. In these days, a lot of savings have been spent on medical treatment for her parents. If she breaks the contract and pays compensation, then a family will be ruined!

In other words, she has no way back now.

She can only gritted her teeth, swallowed all the grievances and pains into her stomach, squeezed out a smile again, raised her glass, and clinked with Lai Shao, "Lai Shao, thank you for your hospitality."

Only then did Lai Shao smile, and said, "That's right. Only after drinking alcohol can you have an atmosphere, and you can be more unrestrained in bed, haha."

There was no concealment about what he said. Hearing Ning Yuning's ears made her shock again, she became panicked and desperate. Her eyes were a little red, thinking that she would become a prostitute in a moment. Similarly, when she goes to bed with Shao Lai, she feels that she is too dirty! Ning Yuning had to pretend not to hear, and after drinking the wine in one sip, she bowed her head and ate the food.

However, Shao Lai didn't seem to want to let her go so much. He continued to toast her, and continued to talk horrible jokes, over-sized topics, and various kinds of molesting Ning Yuning, which made Ning Yuning very embarrassed. Also flushed.

When Lai Shao saw Ning Yu Ning's face guilty of peach blossoms, he was salivating, and he couldn't help gulping.

He really didn't lie before. He was indeed a fan of Ning Yuning. He often listened to Ning Yuning singing and watching Ning Yuning's movies. He always had the idea that he wanted to get Ning Yuning onto the bed. !

For men, what else can be more fulfilling than being an idol?

When he knew that Ning Yuning was in the low peak of his career and needed someone to invest, he immediately had an idea and took the initiative to contact Ning Yuning's company. That's why he had today's meal.

He looked at Ning Yuning like this, and he couldn't bear it anymore. He sat next to Ning Yuning and reached out to grab Ning Yuning's hand, "Big star, I admire you very much, today You have followed me and served me more comfortably. I promise you, I promise to praise you vigorously and make you a star that is even hotter than before, hahaha."

Ning Yuning was frightened by his appearance, and quickly backed away, avoiding his salty pig hands, shook his head and said: "Lai Shao, please take care of yourself! Yu Ning is not that kind of person!"

Hearing these words, the corners of Lai Shao's mouth twitched violently twice, and his face became ugly, "You bitch, it's all here, do you still pretend to me?"

Seeing Lai Shao getting angry, Sister Hua immediately panicked and hurriedly scolded, "Ning Yuning! What are you doing! Lai Shao is rarely willing to spend a lot of money on you, don't you know what it is!"
