

Chapter: 2108

Ning Yuning's tears were rolling in her eyes, and her whole body was extremely wronged.

But she has no idea, she can only ask for perfection.

Sister Hua said in her ear, "You have to think about your current situation! You are no longer the divas and big stars of the past. You are now dead, you know? It's because of your arrogance, your My bad temper, in the domestic entertainment industry, I have offended too many bigwigs, and now they have all united to block you! Now this Lai Shao is your only chance to rise, as long as you please Lai Shao, Lai Shao's Strength, he can return to China and hold you up well!"

Seeing that Ning Yuning was still red with red eyes and looked very aggrieved and painful, Sister Hua's tone eased a little, and said: "Even if you don't think about yourself, you should also think about your family! If you don't think about it this time, To please Lai Shao is to breach the contract. Can you really afford such a high indemnity by then! Do you want your family to be ruined?!"

Ning Yuning gritted her teeth, and every word of Sister Hua was like a bomb, hitting her heart heavily, causing her to collapse again.

She began to accept this kind of thing slowly, yes, she is no longer the big star at the time. With the protection of Lin Ziming, chairman Zi Qiong, she can't get along in the entertainment industry at all. This Lai Shao is the only chance for her to rise!

Looking up at Lai Shao's sneer, she silently chose to submit...

It's just that the man's shadow in her mind is so clear that she is extremely painful.

She closed her eyes, took a deep breath, and made a decision.

This is her destiny, and she has no right to resist and disobey.

At the same time, she also made a decision in her heart. When this time is over, she will work hard to make money, cure her parents, and leave enough money for her family to survive, she will choose to end her life. .

So, after making this decision, she didn't feel so uncomfortable, and finally smiled on her face, but this smile looked so pale and morbid, as if it was just a smile before death. That's it.

After tonight, her soul is dead, and all that is left is her body.

"okay, I get it."

Ning Yuning nodded stupidly, and then squeezed a smile to Lai Shao and said, "Lai Shao, I was wrong just now, please don't be like me."

Seeing her transformation, Lai Shao showed a smile on his face and nodded, "That's right! Miss Ning, I'm really a big fan of yours. After we have dinner, we will go to the room and communicate. I have a dream, and I want to communicate with you, hehe."

When he said this, his eyes were walking around Ning Yuning's body, especially when he saw Ning Yuning's towering career line and that graceful figure, a strong flame appeared in his eyes, which was very scary.

Ning Yuning nodded, already losing resistance.

Then there was no monkey in Lai Shao eager to take advantage of Ning Yuning, anyway, for him, he would be able to get Ning Yuning's body immediately, and he was not in a hurry anymore.

He looked at Ning Yuning in this way, and he really felt that Ning Yuning was a stunner, no matter his figure, temperament, or appearance, he was impeccable!

To be honest, he has also played many famous celebrities, but none of those celebrities can compare to Ning Yuning.

He is a martial artist, the realm of the Great Perfection of the Innate Realm, and he has lived extremely smoothly throughout his life. At his age, he has never encountered it. Who can compare with him.

Today, when he played a star, it was even more of a psychological burden. He didn't even think about the man behind Ning Yuning, but he could not afford to offend him.

After eating this meal, he couldn't wait to take possession of Ning Yuning, and said, "Miss Ning, since we are full, let's go to the room and have a good exchange. I have a lot of ideas.!"

"Great....."

Ning Yuning nodded stupidly again. Now she seemed to have a soul, and only a body was left.
