

Chapter: 2110

Originally, he didn't take such a small thing too seriously, because he is an infinite master of Dzogchen in the Innate Realm. Just now, he specially observed Lin Ziming and found that Lin Ziming is just an ordinary warrior. It's not on the same level at all.

For such a small person, there is no right to attract his attention.

Originally, he just wanted to give this guy with no eyesight a punch and interrupt his hands and feet. But now, he has been murderous and directly ordered, "Go together and beat him to death." Throw it to feed the sharks."

"Yes! Lai Shao!"

After hearing Lai Shao's order, all of the subordinates showed hideous smiles, looking at Lin Ziming as if they were looking at a dead person.

They are all Lai Shao's subordinates, not Lai Shao's bodyguards, because Lai Shao doesn't need them to protect them. On the contrary, their skills are all directed by Lai Shao. They go together, even if they are ordinary innate. Realm masters are not their opponents!

They didn't believe that the man in front of him would be a master of innate realm.

Since Shao Lai said so, they don't have any worries, and just kill the other party. Like this kind of thing, they usually don't do anything, and if they encounter something that is not pleasing to the eye, just kill them directly. However, with Lai Shao's energy, it can be perfectly suppressed, and there is no car overturned.

As for Sister Hua and others, seeing this scene, they were shocked and horrified, and also a little bit excited.

They know that Lai Shao is very powerful and has a strong background, but he dares to kill people directly in public. For them, the impact is still great!

Ning Yuning was also suddenly rescued by the strange man in front of him, and she was stunned. She recognized it quickly. Isn't this the man she admitted to wrong just now?

How would it appear here?

Is this a coincidence, or the other party specially rescued her!

But she clearly didn't know each other, which made Ning Yuning very puzzled. At the same time, she opened her eyes wide and stared at each other closely, but no matter how she found out, she still couldn't tell, this man and Lin Ziming What is similar!

It can be said that apart from the body shape, the man in front of him and Lin Ziming are completely two people.

The big guys immediately surrounded Lin Ziming, grinning grinningly, "Boy, you don't want to ask, what kind of existence Lai Shao is here, how dare you to disturb Lai Shao's good deeds? You are dead!"

After saying this, they immediately started to shoot.

I have to say that they are still a bit level. Although they are not in the Innate Realm, they have a solid foundation in martial arts. With so many people working together, even the second stage of the Innate Realm is not easy to deal with.

It's a pity that the person they met was Lin Ziming, a fierce man who was not even an opponent of Adam. Their behavior was completely an egg hitting a stone and was vulnerable.

Lai Shao thinks that this matter has already fallen to the ground, and he is still very confident in the strength of these men, and if they shoot together, Lin Ziming will definitely be over.

So he didn't continue to look at Lin Ziming, but turned around, with a wretched smile on his face again, and said to Ning Yuning, "Miss Ning, let's go back to the room and have a good communication, I There is a big baby, I can't wait to show it to you, hehe."
