

Chapter: 2114

Lai Shao's speed was already very fast. Almost instantly, he had reached the window and planned to jump directly to escape.

Although it is now a dozen stories high, it is not a big deal to a master of Innate Realm like Lai Shao.

Now he was sure that he was not Lin Ziming's opponent at all, his proud strength, in the hands of the opponent, was like a three-legged cat Kung Fu, being played by all kinds of things.

He has never encountered such a thing before. It can be said that he has already started to fear in his heart now, and has completely lost the idea of resistance. He has only one idea, and that is to run and use all his skills to escape.

However, no matter how fast his speed is, he definitely cannot escape in front of Lin Ziming.

Just kidding, what kind of strength Lin Ziming is now, if a little boy with a Dzogchen congenital realm is allowed to run away, then he will simply find a piece of tofu and hit him to death.

So he just smiled faintly, and then started to make a move without seeing how he ran. It was just a moment before he was behind Lai Shao, and then his right hand stretched out and directly pinched Lai Shao's neck, and then twisted, With a sound, Lai Shao's neck was directly dislocated by him.

At the same time, Lai Shao's body, which was originally running at high speed, stopped, then was caught by Lin Ziming like a chicken, and fell to the back casually.

Now, Lai Shao was even more shocked.

He was already so fast just now, he couldn't escape Lin Ziming's pursuit, and now his neck is dislocated. Although for him, the injury is not serious, and he can return to normal soon, but he also He didn't dare to resist, because he had realized that he really hit the iron plate this time!

Lin Ziming came back, looked at him condescendingly, and said, "My patience is not good. If you dare to do this for me, I will really break your neck."

Guru!

When Lai Shao heard these words, he swallowed heavily, because he felt it too, Lin Ziming was not joking!

If he dares to act rashly, then the opponent will definitely kill him.

For a moment, he didn't dare to act rashly, nodded quickly, and said, "Senior, the kid doesn't dare to resist anymore, please raise your hand high, senior, don't be like me!"

In this situation, there was silence in the box, and everyone opened their eyes wide and looked at this scene inconceivably.

Especially those of Lai Shao's subordinates, seeing that Lai Shao was so

easily subdued by his opponents, they couldn't believe it!
Because they know very well how terrifying the strength of their own boss is. Even if you look at the world, how many people are opponents of the boss in the realm of Dzogchen, the innate realm?
But now it was so easily dealt with, and there was no backhand ability at all. This scene was really horrified for them.
As for Sister Hua, they were also shocked.
They also saw the fight between Lai Shao and Lin Ziming just now. The burst of power felt that the entire hotel was shaking, as if it was about to collapse at any time. This was completely beyond their cognition, and they thought they were gods. Ordinary existence is already terrified now, how dare to speak up!
