

Chapter: 2115

But for Ning Yuning, her heart also caused a terrible wave!

Because, through what she had just done, she felt more and more that the man in front of her looked familiar, especially the posture, aptitude, and tone of voice, which were so similar to the man she was thinking about day and night. !

This caused her to stare at the man in front of her, as if everything in the world had been ignored by her, and now she had only the man in front of her eyes.

And Lin Ziming felt the look in Ning Yuning's eyes, and he was a little bit crying and laughing. He didn't realize that he was mostly recognized by Ning Yuning. It seems that Ning Yuning's miss for him has really reached a The point of fingering.

Lin Ziming didn't bother to talk nonsense, and said directly to Lai Shao, "She, I will protect you, you can't make her idea anymore."

Now, Shao Lai has any thoughts of resistance. The little chicken pecks at the rice and nodded, "Yes, yes, from now on, the kid will definitely not hit her idea again! This time it's the kid's fault. I beg seniors. Don't be like me!"

Lin Ziming nodded. For people like Lai Shao, he actually didn't have too much killing intent. After all, he appeared in time, and Ning Yuning was still not tainted by Lai Shao.

However, he found out now that Lai Shaoshi had sex, who came from the sect world, and the martial arts were so strong, there must be some shameful secret.

"Let's talk about it, what school do you come from and why you want to hide in the world?" Lin Ziming said directly, too lazy to talk nonsense with Shao Lai.

After Lai Shao heard these words, he fell silent, and could not answer immediately, and there was some struggle in his eyes.

However, his struggling eyes quickly disappeared cleanly, and then raised his head again, making a puzzled look, and said, "Senior, I don't know what you are talking about. I am me, what kind of sect and secularity. what?"

Lin Ziming narrowed his eyes slightly and said with a smile, "Boy, you don't have to lie to me. I have had a lot of dealings with people in your sect. You are now hiding in the world and disguising yourself as a dude. Identity, you have to say that there is no conspiracy, do you think I will believe it?"

When Lin Ziming said this sentence, his tone was dull at first, and even with some jokes, but it fell in Lai Shao's ears, it was full of threats and murderous intent, if he really didn't cooperate, Then Lin Ziming would really punish him!

He raised his head and met Lin Ziming's eyes, only feeling terrible.

Once he was convinced, the young man in front of him must be a master of

the gods!

However, he has also been hidden in the world for a while, and he has never heard of it. When did such a young master of the realm of God appear in the world!

As for the other people in the room, after hearing Lin Ziming's words, they all felt baffled. Monk Zhang Er couldn't figure out what kind of school, what kind of world, is this definitely not making a movie?

“Why, you still refuse to say? Do you have to force me to act against you.”

Lin Ziming sat with a golden sword in front of Lai Shao, playing with a wine glass in his hand, his eyes full of playfulness and jokes.

This time, Lai Shao was even more troubled.

However, at this moment, Ning Yuning, who had been silent, suddenly said, “Lin Ziming, is it you? It must be you!”
