

Chapter: 2116

Hearing this sentence, Lin Ziming was stunned for a moment.

Immediately afterwards, Ning Yuning walked quickly to Lin Ziming's face, and looked at him face to face. His eyes were full of longing and mist. At the same time, the expression in his eyes was so resolute. The man in front must be Lin Ziming!

And when Shao Lai, who was kneeling on the ground, heard these words, his pupils suddenly contracted and his eyes widened.

He blurted out, "Lin Ziming? You are Lin Ziming! You are the super arrogant who killed Adam a few days ago!!"

When Lai Shao said these words, let alone how excited his tone was, how frightened he was!

Yes, he was sure. The man in front of him must be Lin Ziming, and only that super arrogant man has such strength. He can tease him like a cat and a mouse, so that he has the slightest ability to resist!

After all, this is a super arrogant in the world, a first-class fierce man, and even Adam, a great demon at the pinnacle of the God Realm, has to be defeated in his hands!

Combined again, Lin Ziming's age is similar to the age of the person in front of him, so it must be Lin Ziming!

The others, after hearing this sentence, also opened their eyes wide.

Especially for Sister Hua and others, the name Lin Ziming is not unfamiliar. They are in the entertainment industry, so I don't know who Lin Ziming is.

That is a legend in the business circle of China. As the chairman of Ziqiong Media, he has now made Ziqiong Media the best in China!

Not to mention, apart from Ziqiong Media, Lin Ziming is also the chairman of the behemoth Lin Group.

At this moment, they all became excited. If Ning Yuning could hold the thigh of Lin Ziming, it would be much better than following Lai Shao!

And just now watching Lin Ziming and Lai Shao have a fairy showdown, it is obvious that Lin Ziming has crushed Lai Shao in all aspects.

Ning Yuning's eyes became even more red, and she stared at Lin Ziming closely, as if she wanted to see Lin Ziming through.

To be honest, Lin Ziming was a little hairy in her heart when she looked at him like this, he was more pressured than looking at Adam, and it was considered an evil.

He touched his nose and said, "Hi, Miss Ning, long time no see..."

However, as soon as he greeted him, he couldn't say anything further, because Ning Yuning had already completely lost control, so he rushed forward and hugged him.

Moreover, he buried his head tightly on his chest, and he was crying and sobbing, "It's you, it's you! You cruel fellow, after so long, you are finally

willing to come to see me!” Oooooo...”

Everyone in the box saw this scene, and was even more surprised, even surprised.

Obviously they all had no idea that Ning Yuning actually had a leg with Lin Ziming, especially for Lai Shao, his scalp was even more numb. Damn, it turns out that he almost got involved with Lin Ziming’s woman this time. He’s going to be over!

At this moment, he really regretted it to the extreme. He had known that Ning Yuning was Lin Ziming’s woman, and he would not dare to touch Ning Yuning if he was killed!
