

## Chapter: 2118

Lin Ziming sighed, he only felt even more helpless now.

Damn your own luck!

No, this can no longer be said to be a peach blossom luck, but a peach blossom catastrophe.

The woman who has an ambiguous relationship with him can hardly be counted with both hands.

It happened that he was not that kind of passionate person, so it was really tormenting for him.

Fortunately, no one knew what he was thinking, otherwise he would definitely be hostile to him. How many men would never marry a wife, but he was surrounded by all kinds of beauties. I don't know how many men expressed admiration.

He was good, but it became an annoyance.

Now this situation is a bit embarrassing. Fortunately, Lai Shao broke the awkward atmosphere, "Senior! So you are Senior Lin, I am your fan! I watched the battle between you and Adam. It's because the juniors have eyes but don't know Taishan. I also ask seniors to have a lot of them. Don't have the same knowledge as me! I swear, I have never touched Ning Yuning before, otherwise I won't die..."

Lai Shao is now begging for mercy. Since knowing Lin Ziming's identity, he has completely given up resistance. Just kidding, who is Lin Ziming, but he is a super talent in the world, even Adam is not an opponent. These days Come, it's already hot.

As a spy lying in the world, Lai Shao naturally knew Lin Ziming.

It's just that he didn't expect that Lin Ziming would actually be able to change appearances, which is a supernatural skill, even he hasn't discovered it!

When other people saw Lai Shao being so respectful and even terrified, they realized that Lin Ziming was not a good crop, but an absolute boss.

Lin Ziming nodded. For Lai Shao, he did not have too much murderous intentions, "I will ask you one last thing, what school do you come from?"

At this moment, Lai Shao knew that if he still sold Guanzi, then Lin Ziming would definitely make a move.

Originally he wanted to lie, but soon, he saw the depth in Lin Ziming's eyes, and he dispelled the idea.

In front of Lin Ziming, he seemed to have no secrets. As long as he really dared to lie, then he could guarantee that Lin Ziming would definitely teach him. For his own safety, he chose to explain it frankly.

"Senior, I'm not telling you anything, I'm from the Western School Asking Heavenly Sect." Lai Shao said honestly.

Lin Ziming was a little surprised when he heard this. The Western School

asked Tianzong, it was one of the four sects.

“What are you doing here?” Lin Ziming continued to ask.

Lai Shao smiled bitterly and said, “Senior, I just yearn for life in the world. I want to come and experience it. Isn’t this illegal?”

When everyone heard what he said, they were all confused. Monk Zhang Er couldn’t figure it out. They had never heard anything about asking the Heavenly Sect or other secular words before.

How do you feel that you are making a movie?

Lin Ziming stared at him and said, “I’ll give you one last chance. I will answer after thinking it through.”

When Lai Shao heard this, his face changed!

He was still seen by Lin Ziming. After hesitating a little, he said with a wry smile again, “Sure enough, I can’t hide it from the predecessors. In fact, I came to the world to collect information.”

really!
