

Chapter: 2120

Killing Lai Shao was just a trivial thing for Lin Ziming. He patted Ning Yuning on the shoulder and said, "Okay, it's not a problem, you are safe, let me go."

Ning Yuning nodded very lightly, and was finally willing to get out of Lin Ziming's arms, but she still held Lin Ziming's arm, looking like a little bird. Lin Ziming gave a wry smile to Ning Yuning's dependence, and then said directly to the others, "If you don't want to die, get out."

The rest of Lai Shao's subordinates, as if they were amnestied, ran away with all their strength.

It's just escaping from the dead.

Sister Hua reacted at this time, she squeezed a smile on her face, walked over, and said flatly, "It turns out that this is the chairman of the famous Lin Group. He has been admiring his name for a long time. Our family Yu Ning can get the chairman. Her favor is the blessing she has cultivated throughout her life."

Facing sister Hua's favor, Lin Ziming didn't give any smiles, and he didn't have a good face. He said directly to Ning Yuning, "Is she the one who pushed you into the fire pit?"

When Sister Hua heard this, the smile on her face immediately stiffened.

Ning Yuning's first reaction was disgust and anger, her mouth moved, and she wanted to admit it, but when the words reached her mouth, she swallowed it back. She didn't know where, Lin Ziming asked, that is to help her solve the problem. Sister!

Lin Ziming saw her look like this, shook his head and said, "Your personality is too weak, and you don't know how to resist even if you are bullied. With your personality, who else would you bully if others didn't bully you?"

These words irritated Ning Yuning. Indeed, she was too weak in character. It was obvious that she was kind to Sister Hua, but Sister Hua was kind to avenge her, and when she was in trouble, she fell into trouble. If Lin Ziming did not show up in time today, then she is now in love with Lai Shao!

Seeing Lin Ziming's eyes, Ning Yuning made up his mind and nodded and said, "It's her! She was the one who got into trouble!"

Sister Hua became even more panicked and explained hurriedly, but Lin Ziming scolded her, her face pale and dumbfounded.

Lin Ziming continued: "How about, do you want revenge?"

Meeting Lin Ziming's encouraging eyes, Ning Yuning nodded, "Well, I think she gets the punishment she deserves."

"Okay!" Lin Ziming nodded, then took out the phone and called Wang Shougui directly, asking him to block Sister Hua.

Suddenly, Sister Hua was like a bereaved concubine, and her whole body

collapsed, crying with tears in her nose, and pulling Ning Yuning's thigh begging for mercy.

After dealing with this matter, Lin Ziming did not continue to stay here, so he directly called the third place of Xuanyuan, simply told them about the matter, and called them to come and deal with it.

I have to say that the strength of China is still very strong now. Even in other countries, it has its own power. After a while, someone will come over. After saluting with Lin Ziming, he quickly dragged away Lai Shao's body. . The whole thing sits down and that is called a trashy.

After all the dust settled, Lin Ziming said, "Miss Ning, I have to go back to China, so I won't be able to accompany you next time."

Ning Yuning grabbed Lin Ziming in a panic, and said, "I also want to go back to China with you!"

Lin Ziming sighed when she saw her look like this, and said, "Miss Ning, you know I have a family, why are you doing this?"

Ning Yuning shook her head and said, "I don't mind, as long as I can be with you, hear your voice from time to time and see you, that's enough, my request is very small."

Hearing what Ning Yuning said, Lin Ziming suddenly thought of a sentence on the Internet. The woman said that she asked very little, not much, but the fact was just the opposite.

Lin Ziming continued: "You have seen just now. I am not an ordinary person. I drink blood on the blade all the year round. I may have an accident one day. If you get too close to me, you will be implicated."

Ning Yuning shook her head and said firmly, "I'm not afraid!"
