

Chapter: 2124

On Lin Ziming's side, although he didn't know what they were talking about between the three women, he probably guessed that it was mostly Chu Fei and Tao Sanniang asking about their emotional experience between them.

Moreover, through the performance of Chu Fei and Tao Sanniang just now, they have actually accepted Ning Yuning and agreed to his expansion.

Lin Ziming was actually very happy about this.

However, as his realm has improved, his charm for the opposite sex is indeed too great. He always unknowingly attracts a lot of the opposite sex.

And he himself is not an absolutely unfeeling person. Take Ning Yuning as an example, it is more difficult for him to really reject Ning Yuning unfeelingly.

Now that Chu Fei and Tao Sanniang are willing to accept Ning Yuning, that would be even better, saving him a lot of trouble.

In fact, he didn't have too much affection for Ning Yuning, and at best he didn't dislike him, but Ning Yuning was already affectionate for him.

As for the next thing, just let it happen.

Lin Ziming has never been a person who likes to be horny, and soon he threw this distracting thoughts behind his head.

These emotional matters can be settled by Chu Fei. He is a man, and he is more suitable for big things.

Now that he had returned to China, he didn't go home in a hurry, but went to Xuanyuan three places to report first.

He returned to Xuanyuan three places this time very low-key, and he didn't say hello to Peng Zhuo and Sun Liang in advance. After arriving at Xuanyuan three places, he planned to go directly to these two leaders.

Speaking of, he, the chief instructor, did not do his job well. He didn't know how to teach these agents. He spent most of the time outside. This time he came back. He plans to stay in Xuanyuan Three for a period of time. The overall level of the game is improved by one level!

When he returned to the three places of Xuanyuan, he still felt a little touched.

Although he has not been in the third place of Xuanyuan for a long time, he still has feelings for the third place of Xuanyuan and he has a strong sense of belonging.

He came back relatively low-key this time, and he was wearing plain clothes, so when he appeared at the entrance of Xuanyuan three places, the guards at the entrance did not find him the first time, thinking that he was an ordinary person outside, directly He stopped.

"Stop! This is a major military site, and no one is allowed to enter!"

This guard seemed to be a rookie, didn't know Lin Ziming, and said very

majesticly.

Lin Ziming was not angry either. With a hearty smile on his face, he said, “I am your chief instructor, and I will come back today.”

Hearing this, the guard was stunned and frowned, “Chief instructor? What is the chief instructor?”

“Are you new here?” Lin Ziming asked rhetorically.

The guard did not answer, but looked at him up and down, and saw that he was wearing ordinary clothes, and the whole person looked unattractive, and there was nothing peculiar about him. He felt that Lin Ziming was just a mess and waiting. Come here. The messenger said unceremoniously: “Leave quickly! This is a military powerhouse, you can’t mess around!”

The guard slapped his machine gun as he spoke, and said very majesticly.

Lin Ziming smiled, patted him on the shoulder, and said with a smile: “Yes, you are very dedicated. When you meet someone you don’t know, keep your duty.”

It is strange that this guard was slapped on the shoulder by Lin Ziming, and he felt flattered, and his waist was involuntarily straightened!
