

Chapter: 2126

They are completely demented.

Isn't it right? Although they have just entered Xuanyuan 3rd place for a long time, they also know what kind of organization Xuanyuan 3rd place is. It can be said that it is one of the best in the entire country of China!

After they became Xuanyuan three agents, their social status was much higher. When they returned to the local area, those high-level officials had to be respectful when facing them, because they were not only agents as simple as agents, but also national heroes. Under certain circumstances, have the power to live and kill.

Especially for Sun Liang, the deputy director of Xuanyuan Third Division, that is even more of a supernatural existence!

It is no exaggeration to say that Sun Liang's status is much higher than the lord of a city.

But now, Sun Liang actually kneels to this young man so respectfully?

And it's not just Sun Liang, there are so many high-level officials in Xuanyuan's three places, all kneeling together, this picture, for them, the impact is too big, making them completely dumbfounded, and they can't shut their mouths for a long time. Up.

Lin Ziming was somewhat moved after being surprised by Sun Liang and these high-level behaviors. From their eyes, Lin Ziming saw the sincere worship and moved.

Indeed, China has been suppressed internationally in recent years, especially by the beautiful country. The biggest culprit is Adam.

It can be said that Adam is crushed by the entire country of China, a mountain on the three heads of Xuanyuan, many people want to wait for Adam to die violently, China can come out with a peerless master, defeat Adam, and promote China's national prestige!

But such a thing is too difficult to appear.

They waited for a long time, but no such person appeared, and they were desperate for a while. Because they know that even the Chinese military god Huangpu Road is probably not Adam's opponent, and even the military god his old man is not Adam's opponent, so looking at the entire China, who else can be Adam's opponent?

During this time, they also called it the darkest moment in China.

But at this moment, Lin Ziming appeared. In an absolutely rude manner, he killed himself to the beautiful country. All kinds of high-profile and all kinds of arrogance. This is something that everyone in China has never done before, but has imagined countless times. !

Today, Lin Ziming did it, especially when Lin Ziming killed Adam and became famous all over the world.

It can be said that at that moment, they regarded Lin Ziming as an idol, and

their beliefs have exceeded the distance of appellation!

Although in terms of position, Sun Liang and these high-level positions are higher than Lin Ziming, they sincerely regard Lin Ziming as faith and are willing to bow down to Lin Ziming.

At the same time, they also knew that a genius like Lin Ziming was amazingly talented and would definitely not stay in Xuanyuan three places for long!

Especially when the army god Whampoa Road is already getting old, Lin Ziming will take the Whampoa Road class every minute and become a new generation of army god!

Therefore, their kneeling today can be said to be convincing.

Lin Ziming felt their emotions, so he didn't say much, and he didn't feel hypocritical, so he accepted it calmly.

But he still walked forward, held Sun Liang in his arms, and said with a smile, "Chu Sun, you have broken me down, please get up soon."

Sun Liang didn't get up right away, but was serious and said, "Chief instructor, I sincerely admire you! It's because of your presence that I have restored my country to glory! From now on, you are my idol. ,my faith!"

Other senior officials also said in unison, "Chief instructor, you are our idol and our faith!"
