

Chapter: 2128

This sentence was so loud that after everyone heard it, the eye sockets couldn't help but flushed, especially Peng Zhuo and Zhao Xia and others, their eyes were so red that they couldn't help crying, secretly. Wiping tears. They are all elderly people from the third place of Xuanyuan, and they have paid more than these new agents.

It is also clearer that these years, they have had such a difficult time, and how they managed to survive the darkness! !

Especially in the wars of the past few years, they sacrificed too much in the three places at Xuanyuan, and so many elites lost their lives in that battle.

Once made them the weakest secret agent organization in the country, not only were they oppressed by foreign organization forces, even the Xuanyuan I and Xuanyuan II in the country rarely suppressed them.

But now, they are finally looking forward to Lin Ziming, this true peerless genius, and at the same time the son of heaven who has condensed the national fortune of China!

And the most important thing is that Lin Ziming is not that kind of ungrateful, this is the most rare.

Now Lin Ziming's words tremble fiercely in the weakest part of their hearts, and they can't help crying.

The man does not flick when he has tears, but he hasn't reached the point of sadness.

The entire three places of Xuanyuan had subtle changes unconsciously, and an insight and change that had never happened before was flowing in everyone's hearts.

It can be seen that after this, the entire Xuanyuan three places will definitely usher in a transformation!

It is because of Lin Ziming's appearance that the changes brought to them have enlightened them all.

Lin Ziming felt this change, and he smiled sincerely. If he could really enlighten the entire three places of Xuanyuan, then he, the chief instructor, would be considered nothing in vain.

In fact, in his mind, he has always believed that a qualified chief instructor is more than just superficially teaching secret agents martial arts, and most importantly, planting powerful seeds for them. Now, he has finally done it.

Next, after Lin Ziming accepted everyone's admiration, he waved his hand and asked them to return to their posts and take care of their own affairs.

Then he followed Peng Zhuo and them to the conference room to report on his affairs in the Eagle Dog Country and the Beautiful Country these days.

He also didn't have anything to hide, except that he modified Alice's matter a little bit, and he said all the other things.

And all the high-level officials of Xuanyuan 3rd place, after listening to his

experience, were stunned, their eyes filled with horror and admiration. Finally, Peng Zhuo sighed and said, "Instructor Lin, you are really the chosen son! I have never heard of your practice speed. In my impression, even if the army god is an old man, when he was young, he was far away. You are so perverted."

Even a steady person like Peng Zhuo used the word abnormal, which shows how violent Lin Ziming is.

Lin Ziming smiled slightly and said, "It's not so mysterious, but I'm actually lucky."

After talking for a while, Peng Zhuo asked, "Instructor Lin, what are your plans next?"

Everyone looked at Lin Ziming.

Lin Ziming was silent for a while and said, "Next, I should go to Yandu and see the old man of the military god. There is one thing, I thought about it, and decided to talk to you."

"Well, what's the matter?"
