This reason is really absolute.

However, when he opened his mouth and was about to continue speaking, Chu Fei hugged him, put her face on his chest, and said softly: “Ziming, don’t ask me this, okay? I just It’s enough for you to love me the most. A good man like you shouldn’t be monopolized by me alone. It’s too unfair to you.”

Hearing these words, Lin Ziming fell silent deeply, not knowing what to say. Finally, he sighed a long sigh, hugged Chu Fei, and said, “Feifei, it’s hard for you.”

Chu Fei smiled and said, “No, there is no trouble for me. I am very happy. The better you are, the better my vision and the luckier. I like hot hustle. There are more sisters, so hot hustle at home.”

Lin Ziming said, “Okay. But tonight, I want to sleep with you, okay?”

“No!” Chu Fei rejected him without even thinking about it, still very determined.

Lin Ziming asked, “Why?”

Chu Fei said, “Because tonight...I just can’t.”

Seeing that Chu Fei was so determined, there was no room for negotiation. Although Lin Ziming was very disappointed, he still agreed.

Next, I chatted with Chu Fei privately for a while, and said it well. He told Chu Fei all the things in the past three months, including all kinds of psychological experiences.

Ning Yuning’s face was red, she didn’t dare to look at Lin Ziming’s eyes, she knew that there was a ghost in her heart.

Tao Sanniang had a smirk on her face. When she looked at Lin Ziming, her

expression was particularly seductive, just like her character, she was a fairy. Lin Ziming lingered among the three stunning women tonight, enjoying the blessings of the people, but only he knew it, this was just appearance.

He shook his head. Now that Chu Fei made such a decision, he couldn't say anything anymore.

Next, he took a cold shower, ready to rest.

Tao Sanniang and Chu Fei slept in the master bedroom tonight, and he and Ning Yuning slept in two guest rooms respectively.

In the middle of the night, Lin Ziming heard a soft footstep in the corridor outside the door...
